Demolition of existing bungalow and construction of new access, 2 no. 3 bedroom bungalows and 4 no. two bedroom bungalows.

3. Condition requiring key recommendations of Extended Phase 1 Habitat survey to be carried out.

14. Prior approval of facing roofing and hard landscaping materials.
15. Removal of Permitted Development Rights for extension for plot 6.

Reason for Granting Planning Permission:

This scheme proposed a backland residential development within the settlement limits of Great Clacton. Although the density of the immediate area was less dense and comprised frontage dwellings with long gardens, the scheme was not materially harmful to

the neighbours and complied with the other relevant policy requirements. The indicative landscaping scheme showed that an attractive landscaped area could be created round the protected Oak tree that could become the focal point for this development. This would achieve a sense of place on a site that was restricted by an easement and therefore constrained. This proposal would provide a small but useful addition to the District's housing stock.

2. Highway Informative regarding adoption of private drive.

sites for housing which had been refused permission. Some of those changes were a result of decisions made by the Planning Committee at its meeting held on 14 June 2016. The changes had been made to the Plan attached as Appendix A to the report of the Head of Planning Services and a schedule of those changes was provided in Appendix C thereto.

Members had had circulated to them prior to the commencement of the meeting amended maps in relation to Great Bentley and Frinton, Walton, Kirby-le-Soken, Kirby Cross and Great Holland. Those maps had been altered as a result of the recent refusal of related planning applications.

(b) delegates authority to the Head of Planning Services, in consultation with the Chairman of the Local Plan Committee, to make minor amendments to the text of the Local Plan consultation documents up to the point of publication for consultation purposes.
