(a) Within three months of the date of the Committee's resolution to approve, the completion of a legal agreement under the provisions of Section 106 of the Town and Country Planning Act 1990 dealing with Public Open Space Provision be undertaken; and

(b) Planning conditions in accordance with those set out in (i) below (but with such amendments and additions, if any, to the detailed wording thereof as the Head of Planning (or the equivalent authorised officer) in their discretion considers appropriate) and with

the reason for approval set out in (ii) below.

(i) Conditions:

1. Time limit for commencement – Three years
2. Development in accordance with the submitted plans

(ii) Reason for approval:

In approving this application, the Local Planning Authority had taken account of the development plan policies listed. The amount of employment floor space to be lost was too small to justify a financial contribution under Local Plan Policy ER3. It was considered that conversion to a single residential dwelling would represent a more sustainable form of development in this rural residential area, resulting in a less intensive use of the access and removing all commercial vehicle movements. Occupation by a business unrelated to the neighbouring dwelling would also be likely to result in harm to residential amenity. It was therefore considered that those matters outweighed the fact that the site was located outside of the defined development boundary. Residential conversion of this building to a single dwelling would not seriously undermine the Council's housing settlement policies and would not set a harmful precedent for the surrounding area.

(c) The Head of Planning (or the equivalent authorised officer) be authorised to refuse planning permission in the event that such legal agreement had not been completed within the period of three months, as the requirements necessary to make the development acceptable in planning terms had not been secured through S106 planning obligation, contrary to Local Plan Policy COM6.

124. ANY OTHER ITEMS WHICH THE CHAIRMAN DECIDES ARE URGENT

There were none.

The meeting was declared closed at 9.03 p.m.

125. SUB-COMMITTEES OF THE LICENSING AND REGULATORY COMMITTEES AND THEIR CHAIRMEN AND VICE-CHAIRMEN

Some of those changes were a result of decisions made by the Planning Committee at its meeting held on 14 June 2016. The changes had been made to the Plan attached as Appendix A to the report of the Head of Planning Services and a schedule of those changes was provided in Appendix C thereto.

Members had had circulated to them prior to the commencement of the meeting amended maps in relation to Great Bentley and Frinton, Walton, Kirby-le-Soken, Kirby Cross and Great Holland. Those maps had been altered as a result of the recent refusal of related planning applications.

Councillor Stock, Chairman of the Local Plan Committee, thanked the Members of that Committee and the Officers, particularly the Head of Planning Services (Cath Bicknell) and the Planning & Regulation Manager (Simon Meecham), for their hard work and dedicated effort in getting the Local Plan to its current position. He also thanked the members of the public and representatives of parish councils who had participated in the public speaking scheme at meetings of the Local Plan Committee.

Councillors Stock, Turner, Scott, Winfield, Parsons, Stephenson, Calver, Bray, V E Guglielmi, Howard, G V Guglielmi, Coley, Broderick and M Brown participated in the debate.

It was moved by Councillor Stock, seconded by Councillor Turner and RESOLVED that Council:

(a) approves the content of the Tendring District Local Plan Preferred Options consultation document, attached as Appendix A to the Report of the Head of Planning Services, which incorporates the changes set out in Appendix C thereto and including the amended maps for Great Bentley and Frinton, Walton, Kirby-le-Soken, Kirby Cross and Great Holland, as circulated, for public consultation for a period of eight weeks;

(b) delegates authority to the Head of Planning Services, in consultation with the Chairman of the Local Plan Committee, to make minor amendments to the text of the Local Plan consultation documents up to the point of publication for consultation purposes. Such amendments are to be circulated to all Members of the Council prior to the commencement of the public consultation; and

The content of the Sustainability Appraisals are to be circulated to all Members of the Council prior to the commencement of the public consultation.
