The Local Plan Committee had considered the consultation document at its meeting held on 9 June 2016 and Council had before it the Committee's recommendations.

Council also had before it a report of the Head of Planning Services which informed Members of major as well as minor changes to the consultation documents in order to make the Plan up-to-date prior to public consultation and to be consistent in not allocating sites for housing which had been refused permission. Some of those changes were a result of decisions made by the Planning Committee at its meeting held on 14 June 2016. The changes had been made to the Plan attached as Appendix A to the report of the Head of Planning Services and a schedule of those changes was provided in Appendix C thereto.

Members had had circulated to them prior to the commencement of the meeting amended maps in relation to Great Bentley and Frinton, Walton, Kirby-le-Soken, Kirby Cross and Great Holland. Those maps had been altered as a result of the recent refusal of related planning applications.

Councillor Stock, Chairman of the Local Plan Committee, thanked the Members of that Committee and the Officers, particularly the Head of Planning Services (Cath Bicknell) and the Planning & Regulation Manager (Simon Meecham), for their hard work and dedicated effort in getting the Local Plan to its current position.
