The application and its supporting material has failed to demonstrate that the proposed development would not result in a significant adverse impact on the vitality and viability of Clacton town centre and this significant adverse impact would not be outweighed by the benefits.

Some of those changes were a result of decisions made by the Planning Committee at its meeting held on 14 June 2016. The changes had been made to the Plan attached as Appendix A to the report of the Head of Planning Services and a schedule of those changes was provided in Appendix C thereto.

Members had had circulated to them prior to the commencement of the meeting amended maps in relation to Great Bentley and Frinton, Walton, Kirby-le-Soken, Kirby Cross and Great Holland. Those maps had been altered as a result of the recent refusal of related planning applications.
