(Members noted that the list of Highways Conditions had changed compared to those reported previously); and

(In this regard Members noted that the Principle Tree and Landscape Officer's comments, whilst consistent with the officer's previous views, had been amended to reflect a further site visit subsequent to the Planning Committee meeting held on 16 September 2014).

An update sheet was circulated to the Committee prior to the meeting, with details of amendments to Paragraphs 4.22 and 5.4 to the report, together with details of 19 letters of objection, which related to those letters received in response to the consultation following the submission of amended plans.

The Local Plan Committee had considered the consultation document at its meeting held on 9 June 2016 and Council had before it the Committee's recommendations.

Council also had before it a report of the Head of Planning Services which informed Members of major as well as minor changes to the consultation documents in order to make the Plan up-to-date prior to public consultation and to be consistent in not allocating sites for housing which had been refused permission. Some of those changes were a result of decisions made by the Planning Committee at its meeting held on 14 June 2016. The changes had been made to the Plan attached as Appendix A to the report of the Head of Planning Services and a schedule of those changes was provided in Appendix C thereto.

Members had had circulated to them prior to the commencement of the meeting amended maps in relation to Great Bentley and Frinton, Walton, Kirby-le-Soken, Kirby Cross and Great Holland. Those maps had been altered as a result of the recent refusal of related planning applications.

Councillor Stock, Chairman of the Local Plan Committee, thanked the Members of that Committee and the Officers, particularly the Head of Planning Services (Cath Bicknell) and the Planning & Regulation Manager (Simon Meecham), for their hard work and dedicated effort in getting the Local Plan to its current position. He also thanked the members of the public and representatives of parish councils who had participated in the public speaking scheme at meetings of the Local Plan Committee.

Councillors Stock, Turner, Scott, Winfield, Parsons, Stephenson, Calver, Bray, V E Guglielmi, Howard, G V Guglielmi, Coley, Broderick and M Brown participated in the debate.

It was moved by Councillor Stock, seconded by Councillor Turner and RESOLVED that Council:

(b) delegates authority to the Head of Planning Services, in consultation with the Chairman of the Local Plan Committee, to make minor amendments to the text of the Local Plan consultation documents up to the point of publication for consultation purposes. Such amendments are to be circulated to all Members of the Council prior to the commencement of the public consultation; and

Local Plan Consultation Documents for public consultation for a period of six weeks. The content of the Sustainability Appraisals are to be circulated to all Members of the Council prior to the commencement of the public consultation.
