## PART 3 – SUPPORTING INFORMATION

### PROPOSED WORK PROGRAMME 2012/13

The Audit Committee have a wide ranging area of responsibility with statutory and regulatory functions making up a significant element of their work.

The meetings of the Committee are scheduled around a quarterly basis subject to the work required of the Committee to support the statutory and regulatory timescales and deadlines.

The Audit Committee's work programme therefore needs to take account of various demands whilst balancing a number of activities within the planned number of meetings scheduled for the year.

In addition to the regulatory and statutory activities undertaken by the Committee such as the Statement of Accounts, Corporate Governance and Risk Management, the Committee are also required to review and scrutinise:

- The work and performance of the Internal Audit function;
- The outcomes from the work of the Council's External Auditor;
- Progress against audit recommendations and other items identified by the Committee.

During the year other matters apart from those set out above may be presented to the Committee for consideration. Given the on-going regulatory and statutory workload and the various additional activities undertaken by the Committee, any additional items that may arise will need to be considered against the proposed work programme and included for reporting at the appropriate meeting, or considered for inclusion in subsequent work programmes.

Taking into account the responsibilities of the Audit Committee as highlighted above, the proposed work programme covering the period from April 2012 up to and including March 2013 is set out in **Appendix A**.

As the year progresses, it may be necessary to review items as some reports / activities and associated timescales may be subject to change. As appropriate the Chair of the Committee will be consulted on any significant changes if required.
