Dear Mr McCulloch

I wish to write and endorse what was said at the Forum meeting yesterday that the Jaywick & Tudor Residents Association consider your ideas regarding the "bringing clusters of empty homes in to use" grant an good step forward in improving the standard of housing in the area which would help increase the possibilities for the whole of Jaywick and encourage further funding and private investment.

Thank you once again for your presentation and we wish you luck in getting the grant. Please keep us informed of any progress so we may pass this on to our members.

Sincerely,

S H
