CONDITION: Within three months of the date of this planning permission a scheme of hard, soft and boundary treatment landscaping works for the site, which shall include any proposed changes in ground levels, shall be submitted to and approved, in writing, by the Local Planning Authority.

REASON: In the interests of visual amenity and the character and appearance of the area.

NOTE/S FOR CONDITION:

Slab level is normally refers to the concrete slab supported on foundations or directly on the subsoil and is used to construct the ground floor of the development.
