

# PLANNING POLICY AND LOCAL PLAN COMMITTEE

AGENDA

<b>DATE:</b>	<b>Wednesday, 20 December 2023</b>
<b>TIME:</b>	<b>6.00 pm</b>
<b>VENUE:</b>	<b>Committee Room - Town Hall, Station Road, Clacton-on-Sea, CO15 1SE</b>

**MEMBERSHIP:**

**Councillor Guglielmi (Chairman)**  
**Councillor Bush (Vice-Chairman)**  
**Councillor Chapman BEM**  
**Councillor M Cossens**  
**Councillor Fairley**

**Councillor Fowler**  
**Councillor Newton**  
**Councillor Scott**  
**Councillor Skeels Jnr.**

**Most Council meetings are open to the public and press. The space for the public and press will be made available on a first come first served basis. Agendas are available to view five working days prior to the meeting date and the Council aims to publish Minutes within five working days of the meeting. Meeting papers can be provided, on request, in large print, in Braille, or on disc, tape, or in other languages.**

**This meeting will be filmed by the Council for live and/or subsequent broadcast on the Council's website. The whole of the meeting will be filmed, except where there are confidential or exempt items, and the footage will be on the website for up to 24 months (the Council retains one full year of recordings and the relevant proportion of the current Municipal Year). The Council will seek to avoid/minimise footage of members of the public in attendance at, or participating in, the meeting. In addition, the Council is obliged by law to allow members of the public to take photographs, film, audio record and report on the proceedings at public meetings. The Council will only seek to prevent this should it be undertaken in a disruptive or otherwise inappropriate manner.**

**If you have any queries regarding webcasting or the recording of meetings by the public, please contact Ian Ford Email: [iford@tendringdc.gov.uk](mailto:iford@tendringdc.gov.uk) or Telephone on 01255 686584.**

DATE OF PUBLICATION: Wednesday, 20 December 2023

## AGENDA

**6 Report of the Director (Planning) - A.1 - Commencing the Review of the Local Plan (Pages 1 - 2)**

Planning Officer Update Sheet containing details of the new NPPF published on 19 December 2023 is attached.

# **Information for Visitors**

## **FIRE EVACUATION PROCEDURE**

There is no alarm test scheduled for this meeting. In the event of an alarm sounding, please calmly make your way out of any of the fire exits in the room and follow the exit signs out of the building.

Please heed the instructions given by any member of staff and they will assist you in leaving the building and direct you to the assembly point.

Please do not re-enter the building until you are advised it is safe to do so by the relevant member of staff.

Your calmness and assistance is greatly appreciated.

## TENDRING DISTRICT COUNCIL

### PLANNING POLICY & LOCAL PLAN COMMITTEE

20 December 2023

#### Update Regarding the New National Planning Policy Framework (NPPF)

Yesterday, 19 December 2023, the Government published a new version of the National Planning Policy Framework. Officers have reviewed the changes made since the previous version (which was published in September 2023) and summarised the key issues below.

All subsequent work to review and update the Local Plan will need to be undertaken in accordance with the most recent NPPF. References to NPPF paragraph numbers in the report appendices may now be out-of-date and will be reviewed by Officers in due course. However, there are no changes that directly affect the recommendations made in any of the Committee reports being considered tonight.

#### Preparing and maintaining up-to-date Plans is an made an explicit priority

- The first paragraph of the NPPF has been updated to emphasise the Government's view that every authority should have an up-to-date Local Plan.

#### Greater emphasis on housing delivery

- There are several changes that place greater emphasis on the importance of delivering new housing, including at paragraphs 1 and 7. Paragraph 15 requires Local Plans to 'meet' rather than 'address' housing needs.
- Chapter 5 (Delivering a sufficient supply of homes) deals with this in greater detail and sets out that the overall aim should be to meet as much of an area's identified housing need as possible.

#### Standard Method

- The outcome of the Standard Method for establishing a housing requirement is now seen as a starting point – although exceptional circumstances (including relating to the particular demographic characteristics of an area) are still required to justify an alternative approach. The specific example given of exceptional circumstances is islands with no land bridge that have a significant proportion of elderly residents.

#### Community-led developments

- New references to 'community-led developments' throughout the NPPF, which are defined in detail in the glossary: *A development instigated and taken forward by a not-for-profit organisation set up and run primarily for the*

*purpose of meeting the housing needs of its members and the wider local community, rather than being a primarily commercial enterprise.*

- Policies and decisions should support small sites to come forward for community-led development.

#### Five-year Housing Land Supply

- Local Planning Authorities with an up-to-date Local Plan (less than five years from adoption) are no longer required to demonstrate annually that they can identify a five year housing land supply for decision-making purposes, if their adopted Local Plan identified at least a five year supply of specific, deliverable sites at the time that its examination concluded.

#### Beauty

- Throughout the NPPF, additional references to beauty have been added. This is reflected in the Local Plan Review 'guiding principles' appended to Report A.1.
- Greater emphasis on the use of design codes to improve the design of new development.

#### Mansard Roof Extensions

- Specific and detailed requirements for Local Planning Authorities to support proposals to develop mansard roof extensions.

#### Renewable Energy

- Significant weight should be given to the need to support energy efficiency and low carbon heating improvements to existing buildings (including heat pumps and solar panels).

### **Correction to report A.2 MONITORING REPORT AND UPDATED HOUSING SUPPLY POSITION**

There is a typing error in three places within this report that refer to the financial year 2021/22. However, the data being reported is in fact for the period 1<sup>st</sup> April 2022 – 31<sup>st</sup> March 2023 (the financial year 2022/23).

Correction applies to the second bullet point in the Purpose of the Report section (Page 41), and the first and third paragraphs of Page 45.
