Update Regarding the Elmstead Neighbourhood Plan and Neighbourhood Development Order Public Hearing

A Public Hearing was held on Thursday the 8th February 2024 at the Community Centre in Elmstead Market, to discuss the Elmstead Neighbourhood Plan and Neighbourhood Development Order (NDO). The Examiner invited discussion around a number of specific subject areas.

- As with the Ardleigh Neighbourhood Plan, the Examiner requested that we consult all those who commented on the Plan asking for their views on the implications of the recently updated National Planning Policy Framework. We were also asked to formally ask if the statutory bodies (Natural England, Historic England and the Environment Agency) whether they agree with the findings of the Habitat Regulations Assessment (HRA) and Strategic Environmental Assessment (SEA) Screening Report. TDC will undertake these consultations accordingly.
- The Parish Council were asked to defend their reasoning as to why two areas of land were not included within the draft Settlement Development Boundary. The landowners, who objected to their land not being included, were also given an opportunity to put their case across. The examiner requested that the Parish Council submit their methodology for defining the Settlement Development Boundary to him.
- The Parish Council had proposed draft policy wording concerning controlling development in the green space to the west of the village, and all parties were asked to consider this new wording and explain how it might be used in decision-making.
- The Parish Council were asked to explain the amount of development proposed for the community centre site (the land subject to the NDO). The Examiner had concerns that the site was too small to accommodate the proposed building, parking and amenity facilities, and the Parish Council have been asked to reconsider the proposed development (in coordination with TDC) to satisfy these concerns.
- The Examiner questioned all parties on the choice of planning conditions proposed for the NDO.

Once the actions requested by the Examiner have been completed and appropriate documentation submitted to him, the Examination of the Neighbourhood Plan and NDO can proceed. The Examiner will determine whether any further modifications to the Plan are necessary (these will be subject to their own consultation, as is the case with Ardleigh), and then whether the Plan and NDO meet the 'basic conditions' set out in Town and Country Planning Act, and can proceed to referendum.
