The minutes of the last meeting of the Community Leadership Overview and Scrutiny Committee, held on 3 December 2018, were approved as a correct record and signed by the Chairman.

34. DECLARATIONS OF INTEREST

Councillor Newton declared an interest in agenda item 6 – Reference Report from Council – A.2 Clacton Town Council, as this motion was proposed by herself. She did therefore not participate whilst the Committee deliberated and reached its decision.

Councillor Pemberton declared an interest in agenda item 4 – Free Swimming Lessons for Children, as he proposed this motion.

Councillor Henderson declared an interest for agenda items 4 and 5 as he is an Essex County Councillor.

35. FREE SWIMMING LESSONS FOR CHILDREN

Clare Kershaw (Director of Education, Essex County Council) and Dawn Emberson (Relationship Manager, Active Essex), attended the meeting to discuss with Members how all schools can meet their statutory duty and move towards 100 per-cent of the Districts children learning to swim before they leave primary school education.

Members recalled that at the meeting of the Council held on 27 November 2018, it was agreed “That this Council takes the following necessary steps in order to see that every child in the District of Tendring can be taught to swim, before they leave primary school education;

(a) The Community Leadership Overview and Scrutiny Committee invite the Director for Education from Essex County Council to attend a future meeting of that
Committee in order to discuss how all schools can meet their statutory duty and move towards 100 per-cent of the Districts children learning to swim before they leave primary school education; and
(b) That officers continue to work with partners to develop a cohesive plan to further improve safety measures across the Districts coastline and report back with findings and any recommendations to Cabinet in February 2019, for implementation prior to the 2019 season.

(c) Clare and Dawn set out for the Committee the statutory requirement under the National Curriculum for swimming which is as follows:-

*All schools must provide swimming instruction either in key stage 1 or key stage 2.*

In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

After discussion by the Committee, it was **RESOLVED** that;

Essex County Council / Active Essex will lead on the following actions:-

(a) To undertake a review to determine how many pupils do not reach the required level of proficiency by the end of year 6. A piece of work will then be undertaken to work with schools to target those children that are not reaching the required proficiency;
(b) to investigate how it was decided that the swim safe programme is centred on Clacton, Walton and Dovercourt and whether there would be any funding available to extend the programme more widely across Tendring;
(c) to look at whether the swimming pools available at local caravan parks could be used to provide swimming lessons to school children;
(d) to investigate whether local bus providers could assist with taking pupils from schools to pools as the cost of transport is cited as one of the biggest barriers for schools in providing swimming lessons;
(e) to review the affordability of providing swimming lessons for schools and the capacity to provide enough lessons. Although it was commented that the latter point is not thought to be an issue;

Tendring District Council will lead on the following actions:-

(f) To look into whether Tendring District Council’s beach patrol staff could provide swimming lessons in the sea for young people as swimming in the sea is different from swimming in a pool;
(g) to consider whether the ONE card or something similar could be re-introduced for use at local Leisure Centres;
(h) to look at extending the promotion of water safety advice around the coastline during the summer including liaising with partners such as Clacton Pier and voluntary and community groups such as the scouts.

The Committee had before it a report of the Head of Leadership Support and Community (A.1) which enabled the Committee to put forward comments in response to the consultation being undertaken by Essex County Council (ECC) on their draft strategy for the future of library services up to 2024.

It was reported that Essex County Council has published a draft strategy on the future of library services over the next five years. Consultation is now being undertaken to enable views to be submitted on the strategy. The strategy is based on views gathered from the public in 2018; the consultation closes on 20 February 2019. Essex Libraries currently serve a population of 1.5 million through 74 library buildings, eLibrary services, 2 mobile libraries and home library service volunteers. It also supports 8 volunteer run community libraries. Over the last 6 years the use of libraries has declined.

The strategy is about library services, both physical and online, and how and where these can be provided in the future. The strategy is not about library buildings and it could be, for example, that library shelves could be in community centres or other public buildings. The strategy anticipates that in the future, community groups and volunteers are more likely to be involved in delivering library services. The strategy sets out the overriding ambition for library services and the key points that the strategy will focus on. These focus on keeping books and reading at the heart of the library service, embracing digitalisation and technology and working with communities to deliver services locally.

Each of the existing 74 libraries has been placed in one of four tiers based on assessment against the criteria of; location, usage, population, deprivation and social isolation. The four tiers are:

- Tier 1 – Main or hub libraries which will part of the statutory provision
- Tier 2 – library services in areas where there is a need for them to be managed by ECC in partnership with community or other partner;
- Tier 3 – locations where no library service is needed as part of the statutory provision but where ECC could support the provision of the service run locally. If no suitable offer is received within six months of Cabinet approval of the strategy then ECC intend to re-consult on the future of these libraries;
- Tier 4 – these libraries are proposed for closure but ECC would consider proposals for community libraries in these locations.

The libraries in Tendring are in the following tiers:

<table>

</tbody>
</table>
The full strategy and consultation questionnaire were attached to the report (A.1) as appendices A and B respectively.

The comments of the Committee will be submitted to the Cabinet meeting on 15 February to agree the final response of Tendring District Council.

After discussion, focusing to a large extent on the five criteria underpinning the rationale for proposals included in the Strategy (Location, Usage, Population, Deprivation and Social Isolation) it was RESOLVED that the Head of Leadership Support and Community would incorporate the views of the Committee into the consultation response form and agree this with the Chairman of the Community Leadership Overview and Scrutiny Committee. The completed consultation would also be circulated to all members of the Committee.

37. REFERENCE REPORT FROM COUNCIL - A.2. CLACTON TOWN COUNCIL

The Committee had before it a reference report from Council (A.2), which reported to the Committee a motion submitted at the meeting of the Council held on 27 November 2018. **Exception:** The uncertainty from government around their housing strategy has made it difficult to draft a document that could require major revisions should the policy direction alter significantly. The recently published Green Paper and announcement on the proposed lifting of the Housing Revenue Account borrowing cap has helped to address some of this uncertainty.

“To work with all parties to boost superfast broadband coverage in the Tendring district. This work is part of a new multi million pound contract with BT Group as part of the Superfast Essex programme.”

Ewan Green – Corporate Director Finance and Corporate Resources Portfolio Holder

**Delivery Mechanism:** The £9million contract signed by Essex County Council and BT Group will ensure superfast speeds of 30Mbps and above are made available to an extra 5,400 homes and businesses in the District by March 2020. TDC have contributed £250K towards the cost of the contract vis-à-vis BT’s operational work in the District.

**Update:** Work started in late 2018 and will not be concluded until 2020. The work will take place in parallel to existing fibre broadband rollout plans by Superfast Essex. The additional coverage will lift superfast broadband availability in Tendring District to more than 98% by early 2020, making the area one of the best-served areas in Essex. TDC will monitor delivery through six monthly progress reports from Superfast Essex. The Council entered into a contract with ECC (Superfast Essex) in 2017 that requires BT Open Reach to provide additional fibre to new cabinets in Tendring. This work is part of a much bigger Open Reach contract covering other parts of Essex.

### Milestones

1. **REFERENCE REPORT FROM COUNCIL - A.1. ADDITIONAL FLAG RAISING DAYS AT THE TOWN HALL**

The Committee had before it a reference from Council which gave details of a motion submitted by Councillor Pemberton to the meeting of the Council held on 15 May 2018.

The Committee was aware that, at that meeting, the motion had been moved by Councillor Pemberton and seconded by Councillor Porter and, in accordance with Council Procedure Rule 12.4, had stood referred to the Community Leadership Overview and Scrutiny Committee for consideration and report.

**RECOMMENDED TO COUNCIL** that Councillor Pemberton’s motion be amended as follows:

“That this Council approves that, in addition to Armed Forces Day, Merchant Navy Day and Commonwealth Day, St George’s Day be added as a flag raising day at the Town Hall and that the national flag of England be flown on that day subject to a protocol being prepared by officers and agreed by Council and that the protocol includes the ability to fly more than one flag on any one day.”

   It was **RESOLVED** that:-

   Dr Mike Gogarty, Director of Public Health, Essex County Council be invited to speak at the meeting on 3 September.

1. **PUBLIC HEALTH**

   Dr. Mike Gogarty, Director of Well Being, Public Health and Communities at Essex County Council, attended the meeting of the Community Leadership Overview and Scrutiny Committee to present on public health data and information relevant to the Tendring District.

   This was then followed by a question and answer section between members of the Committee and Dr. Gogarty.

   The Committee had before it a report of the Deputy Chief Executive (A.1) which sought to present the performance report 2018/19 (community leadership) for the period April – June 2018 (Quarter 1).

3. **SCRUTINY OF PROPOSED DECISIONS**

   Pursuant to the provisions of Overview and Scrutiny Procedure Rule 13, the Committee had before it the Scrutiny of Proposed decisions.

   One decision was put before the Committee; Garden Communities required the approval of an Interim Business Plan and Financial Procedure Rules for North Essex Garden Communities Limited.

   The Head of Leadership Support and Community undertook to ascertain the role that the Community Leadership Overview and scrutiny committee can play in scrutinising this forthcoming decision.

4. **CONSIDERATION OF ITEMS FOR THE DECEMBER MEETING**
The Committee gave due consideration to the speakers/topics in relation to health and well-being to be considered at the next meeting of the Committee, due to be held on 03 December 2018.

It was **RESOLVED** that:-

Open Road to be invited to attend this meeting.

Representatives from Tendring District Council’s housing department to be invited to attend this meeting.

Councillor Land also indicated that a further meeting of the committee would be programmed in October, to discuss further issues.

**1 OCTOBER 2018**

1. **TENDRING ROAD RALLY**

   The Committee had before it a report of the Head of Leadership Support and Community which sought to ask it to consider and agree the final report for submission to Cabinet in regards to Tendring Road Rally.

   Members of the public who attended the meeting were invited by the Chairman to voice any concerns held regarding the Tendring Road Rally.

   Following the receipt of advice from Officers, it was **RESOLVED** that:-

   a) The Committee thanks the Task and Finish Group for its report;

   b) Recommended to Cabinet that they decide whether Tendring District Council should become a Joint Partner, or continue to act as a Consulting Partner or oversight body in respect of the 2019 Road Rally;

   c) the Cabinet be requested in its decision making to take into account the recommendations of the Task and Finish Review; and

   d) the Cabinet be also requested to pay particular close attention to the health and safety issues around this event.

2. **PUBLIC HEALTH**

   Following its previous meeting held on 3 September 2018, the Committee had before it the scope previously agreed for a Task and Finish Group on alcohol.

   The Committee was asked to voice any amendments it might have to the scope in the light of the presentation received on 3 September 2018 from Dr. Mike Gogarty, the Director of Well Being, Public Health and Communities at Essex County Council.

   The Committee therefore deliberated on the topic of alcoholism, including that there was a vast number of alcohol related issues that needed to be addressed, for instance; those that came into the District with an existing alcohol dependency and functioning and non-functioning alcoholics. This needed to be taken into consideration and a decision needed to be reached as to who was going to be targeted and why in the review.

   Following the receipt of advice from the Officers, it was **RESOLVED** that the issue of alcohol abuse is so vast; it is in the Council’s best interest that the Task and Finish Group
begin first by researching further on this issue to gather information and only then to identify
which group or particular area the review would be focused on.

3 DECEMBER 2018

1. SCRUPTINY OF PROPOSED DECISIONS ON THE INTERIM BUSINESS PLAN AND
FINANCIAL PROCEDURE RULES FOR NORTH ESSEX GARDEN COMMUNITIES
LIMITED

The relevant Cabinet Member (Councillor Neil Stock OBE) and Officer (Ewan Green,
Corporate Director, Planning and Regeneration Services) attended the Meeting to present
to the Committee the Business Plan for North Essex Garden Communities Ltd, in order to
enable the Committee to scrutinise this forthcoming decision.

The Committee deliberated and raised questions and concerns for Ewan Green and
Councillor Stock to answer. Those concerns mainly revolved around the funding of the
project and the ongoing ability for members to scrutinise the business plan and associated
documents of North Essex Garden Communities

It was RESOLVED that the Corporate Director (Planning and Regeneration) would circulate
information to the Committee with further detail of activities which the overall programme
funding to date of £4m has been spent on or allocated to. This will now be a regular item on
the Committee’s Agenda going forward.

2. DRUG AND ALCOHOL SUPPORT IN TENDRING

Matthew Gauden, Centre Manager for Open Road, and Claire Beacham, Senior Project
Manager for Phoenix Alcohol Project, attended the meeting to provide Members with an
update on the drug and alcohol support in Tendring.

Members deliberated and raised questions for Matthew Gauden and Claire Beacham to

A minutes silence was held in respect for David Black.

4. REPORT OF THE DEPUTY CHIEF EXECUTIVE - A.1 -PERFORMANCE REPORT JULY -
SEPTEMBER 2018 (QUARTER 2)

The Committee had before it a report of the Deputy Chief Executive (A.1) which presented
the performance report 2018/19 (Community Leadership) for the period July – September
2018 (Quarter 2), with the recommendation for the Committee to determine whether it had
any comments or recommendations to put forward to Cabinet.

The Committee deliberated and raised its concerns over the loss of Libraries and the
negative impact this could have on education for pre-school / Primary School children.
It was RESOLVED that the relevant officer from Essex County Council, as well as other Tendring District Council members with an interest on the matter, be invited to attend a future meeting of the Committee to scrutinise Essex County Council’s consultation on the future of libraries.

5. REVIEW OF THE IMPLEMENTATION OF THE NEW OVERVIEW AND SCRUTINY ARRANGEMENTS

The Committee discussed their experience of the new Overview and Scrutiny arrangements since their implementation in May 2018. The Committee was made aware that any comments and/or recommendations would be submitted to the Finance and Corporate Resources Portfolio Holder’s Constitution Review Working Party who would be conducting a review of the new Committee Structure also introduced in May 2018.

The Committee agreed that the new structure of the meetings was beneficial and provided a good opportunity for in-depth discussion on the topics covered. However, the Committee also agreed that they were concerned they were not meeting often enough to be efficient in taking forward the issues they discussed and therefore suggested there should be a meeting of the Committee every two months.

It was therefore RESOLVED that the Head of Leadership Support and Community report these concerns to the Head of Governance and Legal Services for her to feed into the Constitution Review Working Party.

6. SCRUTINY OF PROPOSED DECISIONS

Pursuant to the provisions of Overview and Scrutiny Procedure Rule 13, the Committee had before it the Scrutiny of proposed decisions.

7. CONSIDERATION OF TERMS FOR MARCH MEETING

The Committee were asked to consider items they wish to scrutinise at the next meeting of the Community Leadership Overview and Scrutiny Committee.

It was RESOLVED that the Head of Leadership Support and Community consults with the Chairman of the Committee regarding a further meeting before March, at which the following items will be included;

- Consultation on Libraries
- Motion from Council on a Community Governance Review for Clacton
- Motion from Council on Free Swimming Lessons for Children – to invite the Director of Education from Essex County Council

28 JANUARY 2019

1. FREE SWIMMING LESSONS FOR CHILDREN

Clare Kershaw (Director of Education, Essex County Council) and Dawn Emberson (Relationship Manager, Active Essex), had attended the meeting to discuss with Members how all schools could meet their statutory duty and move towards 100 per-cent of the Districts children learning to swim before they leave primary school education.
Members had recalled that at the meeting of the Council held on 27 November 2018, it was agreed “That this Council takes the following necessary steps in order to see that every child in the District of Tendring can be taught to swim, before they leave primary school education;

(a) The Community Leadership Overview and Scrutiny Committee invite the Director for Education from Essex County Council to attend a future meeting of that Committee in order to discuss how all schools can meet their statutory duty and move towards 100 per-cent of the Districts children learning to swim before they leave primary school education; and

(b) That officers continue to work with partners to develop a cohesive plan to further improve safety measures across the Districts coastline and report back with findings and any recommendations to Cabinet in February 2019, for implementation prior to the 2019 season.

Clare Kershaw and Dawn Emberson set out for the Committee the statutory requirement under the National Curriculum for swimming which was as follows:-

All schools must provide swimming instruction either in key stage 1 or key stage 2. In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres;
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]; and
- perform safe self-rescue in different water-based situations.

After discussion by the Committee, it was RESOLVED that;

Essex County Council / Active Essex will lead on the following actions:-

(a) To undertake a review to determine how many pupils do not reach the required level of proficiency by the end of year 6. A piece of work will then be undertaken to work with schools to target those children that are not reaching the required proficiency;

(b) to investigate how it was decided that the swim safe programme is centred on Clacton, Walton and Dovercourt and whether there would be any funding available to extend the programme more widely across Tendring;

(c) to look at whether the swimming pools available at local caravan parks could be used to provide swimming lessons to school children;

(d) to investigate whether local bus providers could assist with taking pupils from schools to pools as the cost of transport is cited as one of the biggest barriers for schools in providing swimming lessons;

(e) to review the affordability of providing swimming lessons for schools and the capacity to provide enough lessons. Although it was commented that the latter point is not thought to be an issue;

Tendring District Council will lead on the following actions:-

(f) To look into whether Tendring District Council’s beach patrol staff could provide swimming lessons in the sea for young people as swimming in the sea is different from swimming in a pool;
(g) to consider whether the ONE card or something similar could be re-introduced for use at local Leisure Centres; and

(h) to look at extending the promotion of water safety advice around the coastline during the summer including liaising with partners such as Clacton Pier and voluntary and community groups such as the scouts.

2. REPORT OF HEAD OF LEADERSHIP SUPPORT AND COMMUNITY - A.1. ESSEX FUTURE LIBRARY SERVICES STRATEGY 2019 – 2024

The Committee had before it a report of the Head of Leadership Support and Community (A.1) which enabled the Committee to put forward comments in response to the consultation being undertaken by Essex County Council (ECC) on their draft strategy for the future of library services up to 2024.

The comments of the Committee would be submitted to the Cabinet meeting on 15 February to agree the final response of Tendring District Council.

After discussion, focussing to a large extent on the five criteria underpinning the rationale for proposals included in the Strategy (Location, Usage, Population, Deprivation and Social Isolation) it was RESOLVED that the Head of Leadership Support and Community would incorporate the views of the Committee into the consultation response form and agree this with the Chairman of the Community Leadership Overview and Scrutiny Committee. The completed consultation would also be circulated to all members of the Committee.

3. REFERENCE REPORT FROM COUNCIL - A.2. CLACTON TOWN COUNCIL

The Committee had before it a reference report from Council (A.2), which reported to the Committee a motion submitted at the meeting of the Council held on 27 November 2018. Relating to a proposed town council for Clacton-on-Sea and which was referred to the Committee by the Chairman of the Council for consideration and report, in accordance with provisions of Council Procedure Rule 12.4.

Councillor Newton further explained this motion to the Committee, she then left the Council Chamber whilst the Committee deliberated and reached its decision.

After much discussion from the Committee, it was RESOLVED that it be RECOMMENDED TO COUNCIL that the motion be amended to read;

“This Council, seeks to ascertain the views of the people of Jaywick, Clacton and Holland as to the possible creation of a Town Council or Councils for the currently unparished area of the district and that this be done by way of a question included with the Council tax leaflet.”

4. CONSIDERATION OF ITEMS FOR MARCH MEETING

With regards to the next meeting of the Committee, it was RESOLVED that;

1. The March Meeting be moved to the 25th February, to allow the Five Year Business Plan for North Essex Garden Communities to be scrutinised.
