5 Recommendations Monitoring Report (Pages 9 - 12)

To present to the Committee the updated Recommendations Monitoring Report, outlining any recommendations the Committee have sent to Cabinet. The Committee is requested to consider the report and determine whether any further action is required on the recommendations submitted.

6 Health and Wellbeing

The following persons will be attending the meeting to speak to the Committee on the matters indicated:-

Mike Gogarty (Director of Public Health) – What is the current state of health in Tendring as evidenced by the latest update to the Index of Multiple Deprivation and what actions is the County proposing, both itself and working with partners to help deliver improved health?

Mark Jarman Howe (Chair of the local Health Alliance) – to update on what the Alliance is and to identify the work programmes it is undertaking to deliver improved health in the Tendring area and how it is working to partners to achieve this?

Pam Green (Chief Officer North East Essex Clinical Commissioning Group) – what actions the CCG is undertaking as part of the Alliance to deliver improved health within Tendring?

The aim of the exercise will be to examine the plans for the locality of North East Essex (focussing in on Tendring) in respect of the developing Integrated Care System (ICS) here. The ICS envisages integration including NHS bodies, local authorities, the voluntary sector and others working in the health and care sector to deliver positive change. The meeting will look at the progress to date and the short to medium term actions identified so as to identify whether the envisaged integration is appropriate, occurring and delivering the stated aims. The ICSs, in partnership with local authorities, will (it is anticipated) increasingly focus on tackling the wider social determinants of health – like money, work, environment, housing - and health inequalities to reduce the differences in health and life expectancy between the richest and poorest. The meeting will consider to what extent this is occurring. The implications of the changes for Clacton and Harwich hospitals will be a feature of this scrutiny.

7 Homelessness Reduction and Rough Sleeping Strategy (Pages 13 - 40)

To enable the Committee to consider the draft Homelessness Reduction and Rough Sleeping Strategy.

8 Performance Report Quarter 2 2019/20 (Pages 41 - 60)

9 Review of the Work Programme (Pages 61 - 68)
