Meeting papers can be provided, on request, in large print, in Braille, or on disc, tape, or in other languages.

This meeting will be filmed by the Council for live and/or subsequent broadcast on the Council's website. The whole of the meeting will be filmed, except where there are confidential or exempt items, and the footage will be on the website for up to 24 months (the Council retains one full year of recordings and the relevant proportion of the current Municipal Year). The Council will seek to avoid/minimise footage of members of the public in attendance at, or participating in, the meeting. In addition, the Council is obliged by law to allow members of the public to take photographs, film, audio record and report on the proceedings at public meetings. The Council will only seek to prevent this should it be undertaken in a disruptive or otherwise inappropriate manner.
