TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 18/00883/FUL **DATE REGISTERED:** 7th June 2018

Proposed Development and Location of the Land:

Variation of condition 10 of application 17/00958/FUL to allow for an additional bedroom in the detached dwellings and revisions to the window and door positions.

Land adjacent Clay Cottage Harwich Road Wix Essex

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

- 1 The materials to be used throughout the development shall be those approved under planning reference - 17/02179/DISCON via the Council's approval letter dated 2nd January 2018.

Reason - The development is publicly visible and therefore sympathetic materials are a visually essential requirement.

- 2 The approved scheme of landscaping shown on drawing no. 17.2005/LS-01 REV D (received 31/07/2017), shall be implemented no later than the first planting season following commencement of the development (or within such extended period or phased arrangement as the Local Planning Authority may allow) and shall thereafter be retained and maintained for a period of five years. Any plant material removed, dying or becoming seriously damaged or diseased within five years of planting shall be replaced within the first available planting season and shall be retained and maintained.

Reason - To ensure the effective implementation of the approved landscaping scheme, in the interests of visual amenity.

- 3 The boundary treatment as shown on approved drawing no. 17.2005/BT-01 REV D (received 31/07/2017) shall be erected prior to first occupation of the approved dwellings and retained thereafter as approved.

Reason - In the interests of residential amenity and visual amenity.

- 4 Prior to occupation of the development the vehicular parking and turning facilities, as shown on the submitted plan no. 17.2005/SL-03 REV E (received 31/07/2017) shall be constructed, surfaced and maintained free from obstruction within the site at all times for

that sole purpose.

Reason - To ensure that vehicles can enter and leave the highway in a forward gear in the interest of highway safety.

- 5 No unbound material shall be used in the surface treatment of the vehicular access within 6 metres of the highway boundary.

Reason - To avoid displacement of loose material onto the highway in the interests of highway safety.

- 6 Prior to occupation of the development, the accesses at their centre lines shall be provided with a clear to ground visibility splays with dimensions of 2.4 metres by site maximum in both directions, as measured from and along the nearside edge of the carriageway. Such vehicular visibility splays shall be provided before the accesses are first used by vehicular traffic and retained free of any obstruction at all times.

Reason - To provide adequate inter-visibility between vehicles using the accesses and those in the existing public highway in the interest of highway safety.

- 7 All new driveways and parking areas shall be made of porous materials, or provision shall be made to direct run-off water from the hard surface to a permeable or porous area or surface within the curtilage of the dwelling.

Reason - In the interests of sustainable development and to ensure that run-off water is avoided to minimise the risk of surface water flooding.

- 8 Notwithstanding the provisions of Article 3, Schedule 2 Part 2 Class A of the Town and Country Planning (General Permitted Development) England Order 2015 (or any Order revoking and re-enacting that Order with or without modification), no provision of fences, walls or other enclosures, shall be erected on the southern and eastern boundaries of the site except in accordance with drawings approved as part of this application or through the submission of drawings showing the design and siting of such enclosures which shall previously have been submitted to and approved, in writing, by the Local Planning Authority by way of a planning application.

Reason - In the interests of visual amenity and to preserve the character of the surrounding area.

- 9 The development hereby permitted shall be carried out in accordance with the following approved plans: 17.2005/SL-02 REV D (received 31/07/2017), 17.2005/BT-01 REV D (received 31/07/2017), 17.2005/HTA-01 REV D, 17.2005/102-1 REV B, 17.2005/HTA-02 REV D, 17.2005/102-02 REV B, 17.2005/GAR-01 REV A, 17.2005/SL-03 REV E (received 31/07/2017), 17.2005/LS-01 REV D (received 31/07/2017), 17.2005/LS-02 REV C and 17.2005/SE-01 REV D.

Reason - For the avoidance of doubt and in the interests of proper planning.

DATED: 31st July 2018

SIGNED:

Catherine Bicknell
Head of Planning

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Environmental Health Informative

The following information is intended as guidance for applicants/developers and construction firms. In order to minimise potential nuisance to nearby existing residents caused by construction and demolition works, Pollution and Environmental Control recommends that the following guidelines are followed. Adherence to this advisory note will significantly reduce the likelihood of public complaint and potential enforcement action by Pollution and Environmental Control.

Noise Control

- 1) The use of barriers to mitigate the impact of noisy operations will be used where possible.
- 2) No vehicle connected with the works to arrive on site before 06:30 or leave after 19:30 (except in the case of emergency). Working hours to be restricted between 07:00 and 19:00 Monday to Saturday (finishing at 13:00 on Saturday) with no working of any kind permitted on Sundays or any Public/Bank Holidays.
- 3) The selection and use of machinery to operate on site, and working practices to be adopted will, as a minimum requirement, be compliant with the standards laid out in British Standard 5228:1984.
- 4) Mobile plant to be resident on site during extended works shall be fitted with non-audible reversing alarms (subject to HSE agreement).
- 5) Prior to the commencement of any piling works which may be necessary, a full method statement shall be agreed in writing with the Planning Authority (in consultation with Pollution and Environmental Control). This will contain a rationale for the piling method chosen and details of the techniques to be employed which minimise noise and vibration to nearby residents.
- 6) If there is a requirement to work outside of the recommended hours the applicant or contractor must submit a request in writing for approval by Pollution and Environmental Control prior to the commencement of works.

Emission Control

- 1) All waste arising from the demolition process, ground clearance and construction processes to be recycled or removed from the site subject to agreement with the Local Planning Authority and other relevant agencies.
- 2) No materials produced as a result of the site development or clearance shall be burned on site. All reasonable steps, including damping down site roads, shall be taken to minimise dust and litter emissions from the site whilst works of construction and demolition are in progress.
- 3) All bulk carrying vehicles accessing the site shall be suitably sheeted to prevent nuisance from dust in transit.

Highway Works - All work within or affecting the highway is to be laid out and constructed by prior arrangement with, and to the requirements and satisfaction of, the Highway Authority, details to be agreed before the commencement of works.

The applicants should be advised to contact the Development Management Team by email at development.management@essexhighways.org or by post to:

Essex Highways, Colchester Highways Depot, 653 The Crescent, Colchester, CO4 9YQ.

Cost of Works - The Highway Authority cannot accept any liability for costs associated with a developer's improvement. This includes design check safety audits, site supervision, commuted sums for maintenance and any potential claims under Part 1 and Part 2 of the Land Compensation Act 1973. To protect the Highway Authority against such compensation claims a cash deposit or bond may be required.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by the Secretary of State.

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
