TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 18/00995/FUL

DATE REGISTERED: 20th June 2018

Proposed Development and Location of the Land:

**Erection of two detached houses with detached bin/cycle stores, 1.8m high brick wall with timber panels served by new vehicle access and associated parking.
Land Adj The Pointer Inn Wivenhoe Road Alresford**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Drawing No. 17-2489-104 Revision P1, Drawing No. 17-2489-103 Revision P1, Drawing No. 17-2489-102 Revision P1, Drawing No. 17-2489-101 Revision P1 and Drawing No. 17-2489-100 Revision P2.

Reason - For the avoidance of doubt and in the interests of proper planning.

- 4 No development shall take place until there has been submitted to and approved, in writing, by the Local Planning Authority a scheme of soft landscaping works for the southern (side) and western (front) boundary of the site, which shall include any proposed changes in ground levels and also accurately identify spread, girth and species of all existing trees, shrubs and hedgerows on the site and indicate any to be retained, together with measures for their protection which shall comply with the recommendations set out in the British Standards Institute publication "BS 5837: 2012 - Trees in Relation to Design, Demolition and Construction."

Reason - In order to soften and enhance the appearance of the development.

- 5 All changes in ground levels, hard landscaping, planting, seeding or turfing shown on the approved landscaping details shall be carried out during the first planting and seeding season (October - March inclusive) following the commencement of the development or

in such other phased arrangement as may be agreed in writing by the Local Planning Authority. Any trees or shrubs which, within a period of 5 years of being planted die, are removed or seriously damaged or seriously diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority agrees in writing to a variation of the previously approved details.

Reason - To ensure that the landscaping scheme is suitably implemented within an appropriate timescale.

- 6 Prior to the first occupation of the proposed dwellings, the proposed vehicular access shall be constructed to a width of 5.5m and shall be provided with an appropriate dropped kerb vehicular crossing of the footway/highway verge to the specifications of the Highway Authority.

Reason - To ensure that all vehicles using the private drive access do so in a controlled manner and to ensure that opposing vehicles may pass clear of the limits of the highway, in the interests of highway safety.

- 7 No unbound materials shall be used in the surface treatment of the proposed vehicular access throughout.

Reason - To ensure that loose materials are not brought out onto the highway, in the interests of highway safety.

- 8 The development shall not be occupied until such time as the car parking and turning area, has been provided in accord with the submitted details. The car parking area shall be retained in this form at all times and shall not be used for any purpose other than the parking of vehicles related to the use of the development thereafter.

Reason - To ensure that on-street parking of vehicles in the adjoining streets does not occur, in the interests of highway safety.

- 9 The parking spaces / vehicular hardstandings shall be constructed to minimum dimensions of 5.5m x 2.9m and retained thereafter.

Reason - To encourage the use of off-street parking, in the interests of highway safety.

- 10 No development shall take place, including any ground works or works of demolition, until a Construction Method Statement (CMS) has been submitted to, and approved in writing by, the local planning authority. The approved Statement shall be adhered to throughout the construction period. The Statement shall provide for:

- i. the parking of vehicles of site operatives and visitors
- ii. loading and unloading of plant and materials
- iii. storage of plant and materials used in constructing the development
- iv. wheel and under body washing facilities

Reason - To ensure that on-street parking of these vehicles in the adjoining streets does not occur, in the interests of highway safety.

- 11 Notwithstanding the details set out with the accompanying Arboricultural Implications Assessment and Method Statement Report Ref: 181028 - AIA 2, no dig construction methods shall be used for the foundations of the boundary wall along the south and eastern boundaries of the site falling within the Root Protection Area of the retained sycamore tree T3 of the Tree Report, unless otherwise agreed in writing by the Local Planning Authority.

Reason - To ensure the continued good health and viability of a tree with high visual amenity value.

- 12 The development hereby approved shall be carried out in accordance with Arboricultural Implications Assessment and Method Statement Report Ref: 181028 - AIA 2 dated 13 June 2018.

Reason - To ensure the continued good health and viability of the trees with high visual amenity value.

- 13 No construction works or deliveries in connection with the development shall take place outside the hours of 0700 hours and 1900 hours Monday to Friday and 0800 hours and 1300 hours Saturdays, with the exception of any piling or other percussive works which shall not take place outside the hours of 0800 hours and 1700 hours Monday to Friday.

Reason - To protect the local amenity and reduce the likelihood of complaints of statutory nuisance as the site is within close proximity to existing dwellings.

- 14 No development shall take place until samples of the materials to be used in the construction of the external surfaces of the development hereby permitted (including the boundary walls) have been submitted to and approved in writing by the Local Planning Authority. Details shall include the colour and materials of the window headers and tile hanging to rear bay. Development shall be carried out in accordance with the approved details unless otherwise agreed in writing by the Local Planning Authority.

Reason - In the interests of visual amenity as insufficient information has been submitted within the application for full consideration of these details.

Highways Informatives

In relation to condition 6 Note: The new vehicular crossing shall not extend further than the inner tangent of the bellmouth to Furze Crescent.

Informative1: All work within or affecting the highway is to be laid out and constructed by prior arrangement with and to the requirements and specifications of the Highway Authority; all details shall be agreed before the commencement of works.

The applicants should be advised to contact the Development Management Team by email at development.management@essexhighways.org or by post to:

SMO1 - Essex Highways
Colchester Highways Depot,
653 The Crescent,
Colchester
CO4 9YQ

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by the Secretary of State.

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
