TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 18/00786/FUL **DATE REGISTERED:** 21st May 2018

Proposed Development and Location of the Land:

**Proposed 4 no. dwellings - amendments to approved scheme 15/00965/FUL.
Four Oaks Green Lane Walton On The Naze Essex**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

- 1 Within 3 months of the date of this planning permission precise details of the manufacturer and types and colours of the external facing and roofing materials to be used in construction shall have been submitted to and agreed, in writing, by the Local Planning Authority. Such materials as may be agreed shall be those used in the development.

Reason - The application site is publicly visible and therefore suitable materials are required in order to maintain the character of the area.

- 2 Within 3 months from the date of this planning permission a scheme of hard and soft landscaping works for the site, which shall include any proposed changes in ground levels and also accurately identify spread, girth and species of all existing trees, shrubs and hedgerows on the site and indicate any to be retained, together with measures for their protection which shall comply with the recommendations set out in the British Standards Institute publication "BS 5837: 2012 - Trees in Relation to Design, Demolition and Construction", shall be submitted to and approved, in writing, by the Local Planning Authority. The approved scheme shall then be implemented no later than the first planting season following the approval of the scheme (or within such extended period or phased arrangement as the Local Planning Authority may allow) and shall thereafter be retained and maintained for a period of five years. Any plant material removed, dying or becoming seriously damaged or diseased within five years of planting shall be replaced within the first available planting season and shall be retained and maintained.

Reason - To ensure the effective implementation of the approved landscaping scheme, in the interests of visual amenity.

- 3 All new driveways and parking areas shall be made of porous materials, or provision shall be made to direct run-off water from the hard surface to a permeable or porous area or surface within the curtilage of the dwelling.

Reason - In the interests of sustainable development and to ensure that run-off water is avoided to minimise the risk of surface water flooding.

- 4 Within 3 months of the date of this planning permission precise details of the provision, siting, design and materials of screen walls and fences shall have been submitted to and approved in writing by the Local Planning Authority. The approved screen walls and fences shall be erected prior to any of the hereby approved dwellings being occupied and thereafter be retained in the approved form.

Reason - In the interests of visual and residential amenity.

- 5 No site clearance or construction work shall take place on the site on Sundays or public holidays. On all other days no site clearance or construction work shall take place on the site outside of the following times:

0700 - 1900 on Mondays to Fridays

0800 - 1300 on Saturdays

These restrictions shall apply throughout the site clearance and construction period, unless otherwise agreed in writing by the Local Planning Authority.

Reason - In the interests of residential amenity.

- 6 Within 3 months from the date of this planning permission details of the existing and proposed levels of the site, finished floor levels, and roof height relative to neighbouring properties at 1 Eastcliffe Cottages, 48 Hall Lane and The Old Lifeboat House, and identifying any areas of cut or fill, shall have been submitted to and approved in writing by the Local Planning Authority. The development shall be completed in accordance with the agreed scheme before the development is first occupied.

Reason - In order to ensure that the development safeguards the setting of neighbouring buildings, in the interests of visual amenity and the character and appearance of the area.

- 7 Prior to the first occupation of the proposed dwellings, the proposed vehicular access shall be constructed to a width of 5.5m straight for the first 10m within the site and shall be provided with an appropriate dropped kerb vehicular crossing of the footway/highway verge to the specifications of the Highway Authority.

Reason - To ensure that all vehicles using the private drive access do so in a controlled manner and to ensure that opposing vehicles may pass clear of the limits of the highway, in the interests of highway safety.

- 8 No unbound materials shall be used in the surface treatment of the proposed vehicular access within 6m of the highway boundary.

Reason - To ensure that loose materials are not brought out onto the highway, in the interests of highway safety.

- 9 Prior to the proposed access being brought into use, a 1.5m. x 1.5m. pedestrian visibility splay, relative to the highway boundary, shall be provided on both sides of that access and shall be retained and maintained free from obstruction clear to ground thereafter.

These splays must not form part of the vehicular surface of the access.

Reason - To ensure adequate intervisibility between drivers of vehicles using the proposed access and pedestrians in the adjoining highway, in the interests of highway safety.

- 10 Prior to first occupation of the proposed development, a communal recycling/bin/refuse collection point shall be provided within 15m of the highway boundary or adjacent to the highway boundary and additionally clear of all visibility splays at accesses and retained thereafter.

Reason - To minimise the length of time a refuse vehicle is required to wait within and cause obstruction of the highway, in the interests of highway safety.

- 11 The development shall not be occupied until such time as the allocated car parking spaces for 8 vehicles have been hard surfaced, sealed and marked out in parking bays. The car parking area shall be retained in this form at all times and shall not be used for any purpose other than the parking of vehicles related to the use of the development thereafter.

Reason - To ensure that on-street parking of vehicles in the adjoining streets does not occur, in the interests of highway safety.

- 12 All off street car parking shall be in precise accord with the details contained within the current Parking Standards being provided within the site which shall be maintained free from obstruction and retained thereafter.

Reason - To ensure that on-street parking of vehicles in the adjoining streets does not occur, in the interests of highway safety.

- 13 The existing access or any part of an access (dropped kerb) rendered redundant or unnecessary by this development shall be suitably and permanently closed to the satisfaction of the Local Planning Authority, incorporating the re-instatement to full height of the highway verge/footway/kerbing to the specifications of the Highway Authority, immediately the proposed new access is brought into use.

Reason - To ensure the removal of and to preclude the creation of un-necessary points of traffic conflict in the highway and to prevent indiscriminate access and parking on the highway, in the interests of highway safety.

- 14 Notwithstanding the provisions of Article 3, Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), the balcony glazing screen to the first floor present within the north-eastern facing side elevation of the development shall be constructed in obscure glass before the development hereby permitted is first occupied and shall thereafter be permanently retained in this approved form.

Reason - To protect the privacy and amenities of the occupiers of the adjoining property at No.1 Eastcliffe Cottage.

- 15 The flat roof areas present to the two-storey side elements of the hereby approved development shall not be used for terrace/sitting out areas at any time.

Reason - To protect the privacy and amenities of the occupiers of the adjoining property at No.1 Eastcliffe Cottage.

- 16 The development hereby permitted shall not be carried out except in complete accordance with the details shown on drawing nos. 17.1623.11B, 17.1623.2B, 17.1623.3D, 17.1623.4C, 17.1623.6C, 17.1623.7C and 17.1623.9C.

Reason - For the avoidance of doubt and in the interests of proper planning.

DATED: 17th August 2018

SIGNED:

Catherine Bicknell
Head of Planning

IMPORTANT INFORMATION :-

The local planning authority considers that the following policies and proposals in the development plan are relevant to the above decision:

Essex County Council Car Parking Standards - Design and Good Practice

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

All work within or affecting the highway is to be laid out and constructed by prior arrangement with and to the requirements and specifications of the Highway Authority; all details shall be agreed before the commencement of works.

The applicants should be advised to contact the Development Management Team by email at development.management@essexhighways.org or by post to:

SMO1 ' Essex Highways
Colchester Highways Depot,
653 The Crescent,
Colchester.
CO4 9YQ.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve

excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by the Secretary of State.

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
