TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 18/00668/FUL

DATE REGISTERED: 25th April 2018

Proposed Development and Location of the Land:

**Provision of 1no. detached 3 bed house and with 3no. 3 bed terrace houses.
(Replacement of dwellings under 15/01575/FUL).
Land Site of Former Ramsey Primary School Wix Road Ramsey Essex**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Drawing No. P-001, P-002 Rev C and P-003

Reason - For the avoidance of doubt and in the interests of proper planning.

- 3 No development shall take place until details or samples of the materials to be used in the construction of the external surfaces of the buildings hereby permitted have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out solely in accordance with the approved details.

Reason - Insufficient details have been submitted in this regard.

- 4 No development shall take place until there has been submitted to and approved, in writing, by the Local Planning Authority a scheme of hard and soft landscaping works for the site, which shall include any proposed changes in ground levels and also accurately identify spread, girth and species of all existing trees, shrubs and hedgerows on the site and indicate any to be retained, together with measures for their protection which shall comply with the recommendations set out in the British Standards Institute publication "BS 5837: 2012 Trees in relation to design, demolition and construction.

Reason - To enhance the aesthetics of the developments.

- 5 No development shall take place until precise details of the provision, siting, design and materials of screen walls and fences have been submitted to and approved in writing by the Local Planning Authority. The approved screen walls and fences shall be erected prior to the dwellings to which they relate being first occupied and thereafter be retained in the approved form.

Reason - In the interests of visual amenity.

- 6 Notwithstanding the submitted Reptile Survey of The Former Ramsey School Site, Wix Road, Ramsey, Harwich, Essex produced by Arbtech, before any development is commenced, full details of measures to mitigate against the impact of the hereby permitted development on protected species within the site, including a method statement for site clearance (including precise details of timing), shall be submitted to and approved in writing by the Local Planning Authority and shall be implemented as approved unless the Local Planning Authority first gives written approval to any variation.

Reason - To safeguard those protected species using the site.

- 7 Prior to the occupation of any of the proposed development the vehicular access, footways and internal road layout shall be provided in accord with Drawing Numbered BN.235.P.003.

Reason - To ensure that vehicles using the site access do so in a controlled manner, in the interests of highway safety

- 8 Prior to the commencement of development, details of the estate roads and footways (including layout, levels, gradients, surfacing and means of surface water drainage) shall be submitted to and approved in writing by the Local Planning Authority.

Reason - To ensure that roads and footways are constructed to an acceptable standard, in the interests of highway safety

- 9 No unbound materials shall be used in the surface treatment of the proposed vehicular access within 6m of the highway boundary.

Reason - To ensure that loose materials are not brought out onto the highway, in the interests of highway safety

- 10 The development shall not be occupied until such time as the car parking and turning area, has been provided in accord with the details shown in Drawing Numbered BN.235.P.003. The car parking area shall be retained in this form at all times and shall not be used for any purpose other than the parking of vehicles related to the use of the development thereafter.

Reason - To ensure that on-street parking of vehicles in the adjoining streets does not occur, in the interests of highway safety

- 11 Prior to the occupation of the proposed development, details of the provision for the storage of bicycles sufficient for all occupants of that dwelling, of a design this shall be approved in writing with the Local Planning Authority. The approved facility shall be secure, convenient, covered and provided prior to the first occupation of the proposed development hereby permitted within the site which shall be maintained free from obstruction and retained thereafter.

Reason - To promote the use of sustainable means of transport

- 12 No development shall take place, including any ground works or works of demolition, until a Construction Method Statement (CMS) has been submitted to, and approved in writing by, the local planning authority. The approved Statement shall be adhered to throughout the construction period. The Statement shall provide for:
- i. the parking of vehicles of site operatives and visitors
 - ii. loading and unloading of plant and materials
 - iii. storage of plant and materials used in constructing the development
 - iv. wheel and under body washing facilities

Reason - To ensure that on-street parking of these vehicles in the adjoining streets does not occur, in the interests of highway safety

- 13 All changes in ground levels, hard landscaping, planting, seeding or turfing shown on the approved landscaping details shall be carried out during the first planting and seeding season (October - March inclusive) following the commencement of the development or in such other phased arrangement as may be agreed in writing by the Local Planning Authority. Any trees or shrubs which, within a period of 5 years of being planted die, are removed or seriously damaged or seriously diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority agrees in writing to a variation of the previously approved details.

Reason - To ensure the effective implementation of the approved landscaping scheme.

- 14 The existing access or any part of an access rendered redundant or unnecessary by this development shall be suitably and permanently closed to the satisfaction of the Local Planning Authority, incorporating the re-instatement to full height of the footway/kerbing to the specifications of the Highway Authority, immediately the proposed new accesses are brought into use.

Reason - To ensure the removal of and to preclude the creation of un-necessary points of traffic conflict in the highway and to prevent indiscriminate access and parking on the highway, in the interests of highway safety.

- 15 The gradient of the proposed vehicular accesses/garage drives/hardstandings shall be not steeper than 4% (1 in 25) for at least the first 6m from the highway boundary and not steeper than 8% (1 in 12.5) thereafter.

Reason - To ensure that vehicles using the access both enter and leave the highway in a controlled manner, in the interests of highway safety.

- 16 All new driveways and parking areas shall be made of porous materials, or provision shall be made to direct run-off water from the hard surface to a permeable or porous area or surface within the curtilage of each dwelling.

Reason - In the interests of sustainable development and to ensure that run-off water is avoided to minimise the risk of surface water flooding.

- 17 No development shall take place until an ecological management scheme has been submitted to and approved in writing by the Local Planning Authority. The scheme, which shall include a timetable for its implementation, shall include details of a bat sensitive lighting scheme and the measures to enhance the suitability of the site for bat foraging/commuting through the installation of habitats such as bat boxes, bird boxes, refugia and log and brush piles. The development shall be carried out and maintained at all times in accordance with the approved scheme.

Reason - To preserve and enhance the biodiversity of the site.

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

All housing developments in Essex which would result in the creation of a new street (more than five dwelling units communally served by a single all purpose access) will be subject to the Advance Payments Code, Highways Act, 1980. The Developer will be served with an appropriate notice within 6 weeks of building regulations approval being granted and prior to the commencement of any development must provide guaranteed deposits which will ensure that the new street is constructed in accordance with acceptable specification sufficient to ensure future maintenance as a public highway by the ECC.

The applicant / developer should be requested to submit additional swept path analysis drawings confirming the proposed car parking facilities can accommodate the turning manoeuvres of a full sized refuse / recycling freighter as no facilities exist beyond this application site.

All work within or affecting the highway is to be laid out and constructed by prior arrangement with and to the requirements and specifications of the Highway Authority; all details shall be agreed before the commencement of works.

The applicants should be advised to contact the Development Management Team by email at development.management@essexhighways.org or by post to:

The Highway Authority cannot accept any liability for costs associated with a developer's improvement. This includes design check safety audits, site supervision, commuted sums for maintenance and any potential claims under Part 1 and Part 2 of the Land Compensation Act 1973. To protect the Highway Authority against such compensation claims a cash deposit or bond may be required.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by the Secretary of State.

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
