Update: Research has been undertaken and other Council’s housing strategies have been reviewed. An Executive Projects Manager post has been created to lead on the writing of the strategy and an officer will be starting in post on 9 July 18.

Milestones	Current Position	To be Completed
Develop draft Housing Strategy.	A template strategy has been drawn up. Research and consultation are still required and approval has been granted for an Executive Project Manager post to lead on taking the writing of the strategy forward to completion.	May 18 *Revised Dec 18
Seek Cabinet approval.		Jul 18 *Revised Dec 18
Further development dependent on Housing Green Paper, which will inform strategy. (Publication date: Apr 18)	Green paper not anticipated until July 18 so will tie in with the drafting of our strategy.	Sep 18

Exception: A number of factors have contributed to the delay, including a lack of dedicated staffing resources which has now been addressed through the creation of a new post.
