TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 18/01265/FUL **DATE REGISTERED:** 31st July 2018

Proposed Development and Location of Land:

**Construction of 4 almshouse-type one bed dwellings.
Ernest Luff House Luff Way Walton On The Naze Frinton On Sea**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY REFUSE PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted for the following reason(s)

- 1 The National Planning Policy Framework (2018) states Local Planning Authorities should consider whether otherwise unacceptable development could be made acceptable through the use of conditions or planning obligations. Planning obligations should only be sought where they meet all of the following tests: necessary to make the development acceptable in planning terms; directly related to the development; and fairly and reasonably related in scale and kind to the development.

Policy HG4 in the adopted Local Plan requires large residential developments to provide 40% of new dwellings as affordable housing for people who cannot otherwise afford to buy or rent on the open market. Policy LP5 in the emerging Local Plan, which is based on more up to date evidence on viability, requires 30% of new dwellings on large sites to be made available for affordable or Council Housing. The policy does allow flexibility to accept as low as 10% of dwellings on site, with a financial contribution toward the construction or acquisition of property for use as Council Housing (either on the site or elsewhere in the district) equivalent to delivering the remainder of the 30% requirement.

It is considered that this application and that previously approved under planning reference 17/01080/FUL constitute a sub-division of a single site and therefore result in a total of 16 units. The above policies are therefore applicable and therefore need to be secured for affordable housing purposes through a S106 legal agreement.

A completed Section 106 obligation to secure this affordable housing has not been provided prior to the application determination date and the application is therefore contrary to the above policies.

DATED: 25th September 2018

Catherine Bicknell
Head of Planning

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and discussing those with the Applicant. Unfortunately, it has not been possible to resolve those matters within the timescale allocated for the determination of this planning application. However, the Local Planning Authority has clearly set out, within its report, the steps necessary to remedy the harm identified within the reasons for refusal - which may lead to the submission of a more acceptable proposal in the future. The Local Planning Authority is willing to provide pre-application advice in respect of any future application for a revised development.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by the Secretary of State.

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
