THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: drawing no: 1847-01 revision: B.

Reason - For the avoidance of doubt and in the interests of proper planning.

- 3 Prior to first occupation of the proposed development, the proposed vehicular accesses shall be constructed or reconstructed at right angles to the highway boundary and to a width of 3.5 metres each and shall be provided with an appropriate dropped kerb vehicular crossing of the footway/highway verge to the specifications of the Highway Authority.

Reason - To ensure that vehicles using the site access do so in a controlled manner, in the interests of highway safety.

- 4 Prior to the proposed accesses being brought into use, a 1.5m. x 1.5m. pedestrian visibility splay, relative to the highway boundary, shall be provided on both sides of that access and shall be retained and maintained free from obstruction clear to ground thereafter. These splays must not form part of the vehicular surface of the access.

Reason - To ensure adequate intervisibility between drivers of vehicles using the

proposed access and pedestrians in the adjoining highway, in the interests of highway safety.

- 5 The existing access or any part of an access (dropped kerb) rendered redundant or unnecessary by this development shall be suitably and permanently closed to the satisfaction of the Local Planning Authority, incorporating the re-instatement to full height of the highway verge/footway/kerbing to the specifications of the Highway Authority, immediately the proposed new accesses are brought into use.

Reason - To ensure the removal of and to preclude the creation of un-necessary points of traffic conflict in the highway and to prevent indiscriminate access and parking on the highway, in the interests of highway safety.

- 6 The development shall not be occupied until such time as the car parking facilities, indicated on the approved plans, have been hard surfaced and sealed. The car parking area shall be retained in this form at all times and shall not be used for any purpose other than the parking of vehicles related to the use of the development thereafter.

Reason - To ensure that on-street parking of vehicles in the adjoining streets does not occur, in the interests of highway safety.

- 7 Prior to the first occupation of the proposed dwelling the applicant shall provide a replacement tree to be located in the vicinity of the existing tree (T2). The species, precise location, method of planting and its future maintenance shall be approved in writing by the Local Planning Authority in consultation with the Highway Authority.

Reason - To preserve the fabric and integrity of the highway and in the interests of highway safety.

- 8 Notwithstanding the provisions of Article 3, Schedule 2 Part 1 Classes A, B, C and E of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), there shall be no additions or alterations to the dwelling or its roof, nor shall any buildings, enclosures, swimming or other pool be erected except in accordance with drawings showing the design and siting of such additions and/or building(s) which shall previously have been submitted to and approved, in writing, by the Local Planning Authority.

Reason - To ensure that an acceptable level of private amenity space is retained for the new dwelling and to safeguard residential amenities.

- 9 The development hereby approved shall be carried out in accordance with the Arboricultural Impact Assessment and Preliminary Method Statement Reference No. TPSarb8870818 dated 22nd August 2018 with the approved protective fencing shown within Appendices 2 and 3 being provided and retained throughout the construction phase.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online <https://www.gov.uk/planning-inspectorate>

- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by the Secretary of State.
