

**IMPORTANT – THIS COMMUNICATION AFFECTS YOUR PROPERTY**

TOWN AND COUNTRY PLANNING ACT 1990  
(AS AMENDED BY THE PLANNING AND  
COMPENSATION ACT 1991)

**ENFORCEMENT NOTICE - BREACH OF CONDITION**

**ISSUED BY: TENDRING DISTRICT COUNCIL**

1. THIS NOTICE is issued by the Council because it appears to them that there has been a breach of planning control, within paragraph (b) of section 171A(1) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Annex at the end of the notice and the enclosures to which it refers contain important additional information.
2. THE LAND TO WHICH THE NOTICE RELATES  
  
Land at 56B Colne Way Point Clear Bay St Osyth Clacton On Sea Essex CO16 8LL shown edged and hatched pink on the attached plan (“the land”)
3. THE BREACH OF PLANNING CONTROL ALLEGED - BREACH OF PLANNING CONDITION

The Planning Permissions Concerned:

Planning Permission TEN119/59 dated 7th May 1959 with amended plans approved on 5<sup>th</sup> November 1959 for construction of new chalets and Planning Permission TEN/119N/59 dated 20 January 1964 approving details of the new chalets

The Conditions Concerned:

Condition 2 of TEN/119/59

2. The chalets shall be used for habitation only during the period 1<sup>st</sup> March to 31<sup>st</sup> October in each year and during the winter months may be used for storage of household effects.

REASON –The site is not considered to be suitable for permanent all the year round living accommodation

## Condition 2 of TEN/119N/59

2. The chalets shall be used for habitation only during the period 1<sup>st</sup> March to 31<sup>st</sup> October in each year and during the winter months may be used for storage of household effects.

REASON – The site is not considered to be suitable for permanent all the year round living accommodation

### The Breach of Conditions Concerned:

The breaches of condition 2 of planning permission TEN/119/59 dated 7<sup>th</sup> May 1959 with amended layout on 5<sup>th</sup> November 1959 and condition 2 of planning Permission TEN/119N/59 dated 20<sup>th</sup> January 1964 by the habitation (occupation) of this chalet between the period of 1<sup>st</sup> November and 28<sup>th</sup> February (29<sup>th</sup> February in leap years) each year otherwise than in compliance with condition 2 of the said planning permission TEN/119/59 and condition 2 of the said planning permission TEN/119N/59.

#### 4. REASONS FOR ISSUING THIS NOTICE

Paragraph 14 of The National Planning Policy Framework (“the Framework”) sets out a presumption in favour of sustainable development; in paragraph 7 of the Framework it states that there are three dimensions to sustainable development: economic, social and environmental. Here there is an unsustainable development as to the breaches of planning condition due to the location of the property in a high risk site as to flooding and the environmental aspect as to sustainable development is not met.

The land is situated within a Flood Zone Level 3 as defined by the Environment Agency (“Flood Zone 3”) and for that reason the location of the land for the unlawful breaches of condition set out above is not sustainable in terms of the required environmental sustainability as there is a potential substantial risk to the health and wellbeing of occupiers. Paragraph 100 of the Framework advises that **“Inappropriate development in areas at risk of flooding should be avoided by directing development away from areas at highest risk,”**

Here no Strategic Flood Risk Assessment has been prepared; and no site-specific flood risk assessment has been provided to demonstrate that the development as comprised in the breaches of condition will be safe for its lifetime taking account of the vulnerability of its users, without increasing flood risk elsewhere, and, where possible, that it will reduce flood risk overall. There is therefore a presumption against the development under Paragraph 102 of the Framework.

The Tendring Local Plan 2007 saved policy COM33 states that in order to minimise the effects of local flooding permission will be refused for development on land to the seaward side of flood defences including the siting of temporary structures such as holiday chalets and caravans. On land between the first line of sea defences and the main defence the siting of temporary structures may be permitted following consultation with the Environment Agency. Time limited occupancy condition will be imposed and enforced preventing occupancy during the winter period from November to March inclusive when the risk of tidal inundation is greatest.

Here the advice of the policy COM33 is that appropriate enforcement action should be taken where there is breach of any winter occupancy conditions to a planning permission.

The Tendring District Local Plan 2013-2033 and beyond Publication Draft contains Policy PPL1 as follows

**Policy PPL 1  
DEVELOPMENT AND FLOOD RISK**

*All development proposals should include appropriate measures to respond to the risk of flooding on and/or off site and within the Flood Zone (which includes Flood Zones 2 and 3, as defined by the Environment Agency) shown on the Policies Map and Local Maps, or elsewhere involving sites of 1ha or more, must be accompanied by a Flood Risk Assessment. New development in areas of high flood risk must be designed to be resilient in the event of a flood and ensure that, in the case of new residential development, that there are no bedrooms at ground floor level and that a means of escape is possible from first floor level.*

*All major development proposals should consider the potential for new Green Infrastructure to help mitigate potential flood risk and include such Green Infrastructure, where appropriate.*

*Proposals must have regard, as necessary, to the following tests:*

***The Sequential Test***

*All development proposals will be considered against the National Planning Policy Framework's 'Sequential Test', to direct development toward sites at the lowest risk of flooding, unless they involve land specifically allocated for development on the Policies Maps or Local Maps.*

***The Exception Test***

*Where new development cannot be located in an area of lower flood risk and is otherwise sustainable, the Exception Test will be applied in accordance with the National Planning Policy Framework.*

This unauthorised development would fail the advice in Policy PPL1 as it fails to show that the development comprised in the breaches of condition would meet the requirements of that Policy.

For the above reasons this unauthorised breach of planning control as to the breaches of condition is harmful as it fails to comply with the advice in the above national and local planning policy. It also fails the advice in the emerging replacement local plan.

The Council does not believe that any permitted development rights under the then Town and Country Planning (General Permitted Development) Order 1995 as amended or the current Town and Country Planning (General Permitted Development) (England) Order 2015 would allow these unauthorised breaches of condition, nor do they believe that any further planning permission exists for these unauthorised breaches of condition.

It is considered necessary and proportionate to interfere with the owners and occupiers rights under the Human Rights Act 1998 and European Convention on Human Rights as to respect for their possessions and property together with their rights under the Equalities Act 2010 in the greater interests of the right of the public to have faith in a planning system which takes proportionate action to ensure that development is sustainable and that unauthorised and potentially harmful development is eliminated.

The Council does not believe that the breaches of Condition 2 of Planning Permission TEN/119/59 and Condition 2 of Planning Permission TEN/119N/59 could be made acceptable through the grant of planning permission or that conditions to a planning permission could rectify the unacceptable harm caused by this breach of planning control.

The Council believes that the breaches of planning control via the breach of Condition 2 of Planning Permission TEN/119/59 and condition 2 of Planning Permission TEN/119N/59 took place less than ten (10) years ago.

5. WHAT YOU ARE REQUIRED TO DO

1. Comply with Condition 2 of Planning Permission TEN/119/59 dated 7<sup>th</sup> May 1959 with layout amended on 5<sup>th</sup> November 1959 by ceasing the habitation (occupation) of the chalet on the land between 1<sup>st</sup> November and 28<sup>th</sup> February (29<sup>th</sup> February in leap years) each year.
2. Comply with Condition 2 of Planning Permission TEN/119N /59 dated 20<sup>th</sup> January 1964 by ceasing the habitation (occupation) of the chalet on the land between 1<sup>st</sup> November and 28<sup>th</sup> February (29<sup>th</sup> February in leap years) each year.

6. TIME FOR COMPLIANCE

Three Months after the date this Notice takes effect.

7. WHEN THIS NOTICE TAKES EFFECT

This notice takes effect on 5<sup>th</sup> September 2017 unless an appeal is made against it beforehand.

Dated: 1<sup>st</sup> August 2017

Signed:

Catherine Bicknell  
**Head of Planning**

On behalf of: Tendring District Council, Council Offices, Thorpe Road, Weeley, CLACTON-ON-SEA, Essex. CO16 9AJ

## ANNEX

### YOUR RIGHT OF APPEAL

You can appeal against this notice, but any appeal must be received, or posted in time to be **received**, by the Secretary of State **before** the date specified in paragraph 7 of the notice. Your rights of appeal and the process by which you may make an appeal are set out in the enclosed "Enforcement Information Sheet" and "Planning Inspectorate Leaflet".

### WHAT HAPPENS IF YOU DO NOT APPEAL

If you do not appeal against this enforcement notice, it will take effect on the date specified in paragraph 7 of the notice and you must then ensure that the required steps for complying with it, for which you may be held responsible, are taken within the period specified in paragraph 6 of the notice. Failure to comply with an enforcement notice which has taken effect can result in prosecution and/or remedial action by the Council.
