

WORKS TO TREES CONTROL SHEET

Application No: 18/01676/TPO TPO No: 78/00020/TPO

Date Received: 4 October 2018 Acknowledgement letter 4 October 2018

Parish List w/e 5 October 2018 Clearance Date (24days) 29 October 2018

Description of Works: 8 No. Oak - fell, 2 No. Hawthorn - fell, 8 No. Field Maple - fell

Location: Turpins Grove Frietuna Road Kirby Cross

Site Inspection: 17.10.18. Copy sent to Parish Council 4 October 2018

Target Date: 29 November 2018

Observations: The applicant (TDC - Grounds maintenance) has submitted evidence put in front of them demonstrating that trees within the woods are causing structural damage to a dwelling on land adjacent to the wood.

The evidence is sufficient to demonstrate that the trees are implicated in the subsidence related damage and that the most cost effective way to avoid further damage and to enable repairs to the dwelling to take place is to carry out vegetation management as proposed. The works will alter the character of this part of the woodland but will allow ground flora to become established and will eliminate the

Recommendation risk of a claim for compensation being made against the Council.
