1. Town or Parish Council – All

2. Budget - £2230.00 (£785.11 committed – £1444.89 remaining)

3. Officer Appraisal

Purpose of Report

To allocate Town and Parish Council Tree Planting Grant based on applications for funding received.

Applications received

Applications for funding were received from 4 Parish and 1 Town Council detailing schemes in the sum of £1549.13. Those applications sought £831.72 in grant funding.

Conclusion

As grants of up to 50% of the total cost of the scheme is offered in parished areas it is proposed to offer a total grant of £773.97 to the 5 Town and Parish Councils.

Alternative Action

The budget could be withdrawn which would result in a diminishment of the Councils role as advocate for the environment and its role as a community leader.

4. Recommendation

To allocate part of the budget as set out in the attached tree planting schedule.
