Reason - For the avoidance of doubt and in the interests of proper planning.

- 3 Prior to the first occupation of the proposed development, the proposed vehicular access shall be reconstructed in complete accord with the details shown in Drawing Numbered 93-2017-21PB and at right angles to the highway boundary and shall be provided with an appropriately constructed connection to Hamilton Street to the specifications of the Highway Authority.

- 4 No unbound materials shall be used in the surface treatment of the proposed vehicular access throughout.

Reason - To ensure that loose materials are not brought out onto the highway, in the interests of highway safety.

- 5 The parking spaces / vehicular hardstandings shall be constructed to minimum dimensions as shown in the amended Drawing Numbered 93-2017-21PB and retained thereafter in this approved form for the sole purpose of parking.

Reason - To encourage the use of off-street parking, in the interests of highway safety.

- 6 Notwithstanding the provisions of Article 3, Schedule 2 Part 2 Class A of the Town and Country Planning (General Permitted Development) England Order 2015 (or any Order revoking and re-enacting that Order with or without modification), other than the boundary treatments shown on the approved drawings, no provision of fences, walls, gates or other means of enclosures, shall be erected on any part of the site forward of the front elevation of the dwelling hereby approved.

- 7 No construction works or deliveries in connection with the development shall take place outside the hours of 0730 hours and 1800 hours Monday to Friday and 0800 hours and 1300 hours Saturdays, with the exception of any piling or other percussive works which shall not take place outside the hours of 0800 hours and 1700 hours Monday to Friday.

Reason - To protect the local amenity and reduce the likelihood of complaints of statutory nuisance as the site is within close proximity to existing dwellings.

- 8 Notwithstanding the provisions of Article 3, Schedule 2 Part 1 Classes A, B and E of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), there shall be no additions to the dwelling or the roof, nor shall any buildings, enclosures, swimming or other pool be erected except in accordance with drawings showing the design and siting of such additions or building(s) which shall previously have been submitted to and approved, in writing, by the Local Planning Authority.

Reason - Planning permission is granted for a dwelling and it is necessary for the Local Planning Authority to be able to consider and control further development in order to ensure that adequate usable private amenity space is retained on the plot and that any development is acceptable in design terms and in the interests of residential amenity.

- 9 All new hardstanding and parking areas shall be made of porous materials, or provision shall be made to direct run-off water from the hard surface to a permeable or porous area or surface within the site.

Reason - In the interests of sustainable development and to ensure that run-off water is avoided to minimise the risk of surface water flooding.

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice.
