

Tendring District Council Pay and Reward Policy

2019/20

Introduction

Section 38(1) of the Localism Act 2011 requires local authorities to produce an annual pay policy statement. The provisions within the Act do not seek to change the right of each local authority to have autonomy on pay decisions, however it emphasises the need to deliver value for money for local taxpayers.

This statement is approved by Full Council and *published on the Council's website at the earliest opportunity.*

Tendring District Council recognises, in the context of managing public resources, remuneration at all levels needs to be adequate to secure and retain high quality employees, dedicated to the service of the public; but at the same time needs to avoid being unnecessarily excessive. The Council's vision includes the provision to adopt a reward strategy that is modern, sustainable, fair and transparent and rewards people appropriately for their contribution to the Council.

The Council follows the transparency requirements on remuneration as set out in the Local Government Transparency Code 2015, published by the Department for Communities and Local Government in February 2015, and the Local Transparency Guidance issued on 30 November 2015 by the Local Government Association.

Part of the Code includes publishing information relating to senior salaries within a local authority. A full list of senior salaries and also monthly expenditure on pay across all pay bands is available and published on the Council's website www.tendringdc.gov.uk.

The Council's Statement of Accounts includes details of all Chief Officers pay.

The HR Committee has responsibility for the terms and conditions of service for all staff and ensures that remuneration is set within the wider pay context giving due consideration to the relationship between the highest and lowest paid in the organisation.

The matters that must be included in the statutory Pay Policy Statement are as follows:

- A local authority's policy on the level and elements of remuneration for each Chief Officer (for Tendring District Council this includes the Chief Executive, Corporate Directors/Head of Department, Monitoring Officer and the Section 151 Officer).
- A local authority's policy on the remuneration of its lowest-paid employees (together with its definition of "lowest- paid employees" and its reasons for adopting that definition).
- A local authority's policy on the relationship between the remuneration of its Chief Officers and other Officers.
- A local authority's policy on other aspects of Chief Officers' remuneration: remuneration on recruitment increases and additions to remuneration, use of

performance related pay and bonuses, termination payments and transparency.

Purpose of the Statement

The Pay Policy Statement 2019/20 has been designed to give an overview of the Council's framework regarding pay and rewards for staff within the Council. The framework aims to ensure the ability of the Council to recruit talented individuals whilst reassuring the citizens of Tendring that their money is being used efficiently.

Tendring District Council needs to have high calibre leaders within the organisation to deliver high quality public services, especially in difficult fiscal conditions. At the same time taxpayers are right to demand value for money from public resources and an assurance that their money is not being wasted on excessive senior salaries. The primary aim of the Pay Policy is to set a framework to attract, retain and motivate staff so that the organisation can perform at its best. Research shows that individuals are attracted, retained and engaged by a range of both financial and non-financial rewards so a coherent link between reward and the overall approach to people management leads to the best possible outcome.

Managing Remuneration

Tendring District Council has a fair, equitable and transparent approach to remuneration, following equal pay legislation. This includes incremental progression based on length of service and more proactively on:

- Achieving annual performance levels
- Development progression against defined frameworks (Career Progression for many posts)

The Council also benchmarks and reviews salary profiles within the job market and has access to the Epaycheck system provided by the East of England Employer's Organisation.

The Council has adopted the National Pay Grades as set by the National Joint Council (NJC) and is subject to the national negotiations regarding pay and conditions of service (commonly known as the 'Green Book'). The Council currently has a Pay Spine that commences on SCP (Spinal Column Point) 1, which is the pay for the "lowest paid employee" and ends at SCP 77. Within the pay structure there are 20 Pay Bands.

Apprentices, however, are not included as they have a contract for learning and training with the Council, rather than an employment contract.

The values of the SCPs are updated by the national pay awards and the Council is notified of any changes by the National Joint Council for Local Government.

Employees who are new to the Council and Local Government are usually appointed at the first point of the salary banding, apart from in exceptional circumstances.

National Single Status and the NJC Job Evaluation Scheme have been adopted by the Council with locally agreed conventions, which at the time of adoption were negotiated and agreed with local union officials. Training has been provided by the Regional Employers (EELGA) to ensure that there are a sufficient number of managers and union officials within the organisation who have the skills to implement and apply job evaluation within the Council. This job evaluation scheme is recognised by employers and trade unions nationally and the scheme allows for robust measurement against set criteria resulting in fair and objective evaluations.

Chief Officers are not subject to the NJC Job Evaluation Scheme. Chief Officers within the organisation have their pay set following benchmarking and pay rates which are set to attract and retain key employees. The agreement of pay is subject to Equal Pay legislation.

The highest paid employee is the Chief Executive who is on a salary scale of £112,000 to £131,461.00 per annum.

Car mileage payments for all employees are paid at the Inland Revenue Rate. This is currently 45p per mile (for the first 10,000 miles). Use of the Inland Revenue rate enables the Council to have a fair and consistent rate of reimbursement for business mileage across the Council.

There are local rates in force for individuals who use their motorcycles or bicycles on official business and to encourage Officers to car share on business journeys the Council has also adopted the additional 5p per passenger per mile, in accordance with Inland Revenue guidance.

Other allowances payable within the Council included the following:

- Committee Attendance
- Overtime Payments
- Standby Payments
- Callout Payments
- First Aider Payments

The Council introduced a new Allowances Policy in April 2018 to recognise that the Council provides services to residents that sometimes require a response outside of standard working hours.

The new policy has been designed on the basis of the following:

- That staff are paid in a consistent way throughout the organisation.
- To compensate staff that provide a contractual out of hour's standby service to meet the Council's statutory duties.
- To ensure that payment structures are fair and sustainable for the future.
- The Council recognises increased financial on-costs associated with overtime and call out payments. This includes an employer pension contribution of 16.6% and payment of accrued holiday pay for regular overtime worked.

- The Council wants to be a responsible employer to meet the health, safety and well-being needs of staff by encouraging the use of TOIL for recovery from working additional hours through the night.

Within Tendring District Council there are three distinct categories of service provision:

- 1) *Services that have 24 hour, 7 day a week scheduled provision.*
- 2) *Services that are delivered predominantly during standard office hours, that also provide a standby service outside of these hours. Standby is used to address calls that require attention which cannot wait until standard opening hours.*
- 3) *Services that are delivered during standard office hours, that may very occasionally, need to provide an extra response on an ad hoc basis.*

In addition that Council has a statutory requirement to maintain an Emergency Response service for the district. Officers who support this service are called First Call Officers.

Following consultation with UNISON, managers and employees, the following overtime arrangements were introduced from 1 April 2018:

- *Staff up to SCP49 (the top of Grade 11) will be able to be paid overtime. Overtime will only be paid if the time off is not an option for operational service delivery. Overtime must be authorised in advance by the relevant Corporate Director.*
- *Overtime will be paid at plain rate only for Category 2 and 3 services.*
- *Category 1 services will be able to be paid enhanced rates of overtime for evenings, weekends and bank holidays for those staff who have worked 37 hours any one week.*

Other allowance payments for Officers, with effect from 1 April 2018 are as follows:

- 1) *Standby/On-call, Category 2 services - £20 between the hours of 6pm to 8am Monday to Friday, £40 Saturday, Sunday and Bank Holidays*
- 2) *First Call Officer Standby - £20 between the hours of 6pm to 8am, £40 Saturday, Sunday and Bank Holidays*
- 3) *Disturbance payment, Category 3 services - £20 for responding out of core hours*
- 4) *Major Local Emergency response, more than 6 hours outside core hours - up to £200*

The Council does not currently operate any performance related pay or bonus schemes.

The Council has a Subsistence Policy, adopted by HR Committee. Any payment is made on production of actual receipts and payments adhere to the rates provided by the East of England, Local Government Association.

The Chief Executive also receives a (Deputy/Local/Acting) Returning Officer fee in respect of Parliamentary, European Parliamentary, Referendums, County, Police and Crime Commissioner and District and Parish Council Elections. The fee for undertaking this role within the Tendring District is calculated in respect of District and Parish Council Elections by reference to the Scale of Fees and Expenses payable to the Returning Officer at elections of District and Parish Councillors. In respect of acting as Deputy Returning Officer at elections of County Councillors, reference is made to the Scale of Fees and Expenses payable at Elections of County Councillors supplied by Essex County Council. Fees for conducting Parliamentary, European Parliamentary Elections, Police and Crime Commissioner Elections and National Referendum are determined by way of a Statutory Instrument.

The fees received by the Chief Executive in 2018/19, in respect of these duties was nil as no elections were called.

The Council is an admitted body of the Local Government Pension Scheme and the Pension Scheme for the Council is administered by Essex County Council.

Transparency within Tendring District Council

Existing legislation already requires the Council to publish statements regarding remuneration and each year in the Council's Statement of Accounts includes a detailed analysis of the pay, benefits and pension entitlements for all Chief Officers within the Council. The Council will continue to publish this information on an annual basis and it is readily available to view on the Council's website www.tendringdc.gov.uk. This information also includes a structure of the Council's Senior Officers.

In 2019/20 the remuneration for the lowest paid member of staff within the Council will be £17,364 (based on £9.00 per hour) per annum and the most senior officer within the Council will be paid £131,461 per annum. This is a multiple of 7.58, which is lower than half of the pay multiple detailed as the cap for Local Government pay as detailed in the Hutton Review of Fair Pay in the Public Sector. It should be noted that this multiple has reduced by 3 points in comparison to the Pay Statement 2014/15. The Council aims to keep this multiple under review to ensure that it is kept at an appropriate level. The median pay for Chief Officers is £71,170 (this is based on full time equivalent annual salary, excluding election fees). The median pay for other staff other than Chief Officers is £30,939 per annum.

The Council publishes on the Tendring District Council website a monthly report of salaries paid, by pay band and the number of staff within each pay band - www.tendringdc.gov.uk.

Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017

Since 2018 the Council has been obliged to introduce mandatory gender pay reporting, to meet the requirements of the Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017. The Council has to publish data including the following:

- The mean gender pay gap
- The median gender pay gap
- The mean bonus gender pay gap
- The median bonus gender pay gap
- The proportion of males and females receiving a bonus payment
- The proportion of males and females in each quartile band

This information is published on the Council's website as well as a designated government website. Three of the above questions, will not be applicable, as the Council does not operate bonus schemes for any Officers.

The challenge within Tendring District Council and across Great Britain is to eliminate any gender pay gap. If any gaps are determined, as the Council interprets data, an action plan will be prepared.

In preparation for the publication of the data in March 2019 the Council has been undertaking an analysis of gender pay data during 2018 which includes an analysis by gender across four pay quartiles. Early results indicate the following:

Mean Difference Across Gender

The difference between the male and female mean hourly rate is £0.28. The male mean hourly rate is 2.3% higher than the female mean hourly rate.

Median Difference Across Gender

The difference between the male and female median hourly rate is £0.87. The female median hourly rate is 8.9 % higher than the male median hourly rate.

Off- Payroll working in the public sector (IR35)

From time to time, due to the requirement for particular specialist skills or due to peaks in workloads, the Council uses agency workers or consultants, for short term assignments. With effect from 1st April 2017, HMRC has updated the requirements and regulations for off payroll workers within the public sector. From April 2017, individuals working through their own company in the public sector will no longer be responsible for deciding whether the intermediaries' legislation applies and then paying the relevant tax and NICs. This responsibility will instead move to the public sector employer.

The Council has undertaken and reviewed the current status of workers with individual agencies and HMRC.

Severance Payments

The Council has adopted policies regarding severance payments. Full details can be found in the following;

- Organisational Change and Redundancy Policy
- Flexible Retirement Policy

In the case of the Organisational Change and Redundancy Policy the authority has to ensure that the policy is workable, affordable and reasonable having regard to foreseeable costs.

In terms of severance, all policies and payments are the same for the “lowest paid employee” and the Chief Officers of the Council.

Tendring District Council needs to ensure sufficient flexibility to allow for responding to unforeseen circumstances and there may be occasions when the Council has to take a pragmatic approach to severance. Any enhanced severance agreements will not be entered into without the advice of the External Auditor and will adhere to current legislation.

Other Rewards

The Council has both financial and non-financial rewards for staff; these are to reflect the different expectations and priorities of staff.

These other rewards include the following:

- Access to the Local Government Pension Scheme for all staff
- Training Support
- Being tax efficient and at nil cost to the Council - Salary Sacrifice Schemes including Childcare Vouchers, Car Purchase Scheme (Ultra Low emission cars) and a Cycle to Work Scheme
- Health Schemes – the Council has been able to offer a number of Weight Management courses, Quit smoking clubs and Health Checks for employees in partnership with ACE and PROVIDE and at nil cost to the Council
- Occupational health and independent counselling
- Additional career development opportunities – secondments, special projects, flexible working and recognition through awards such as the Celebration of Success and STARS Event
- Free car parking
- Flexi time scheme
- Providing discounts at local shops and cafes for employees
- Additional days annual leave granted after 5 years of continuous service with Tendring District Council

There are no rewards that only benefit Chief Officers within the Council.

Review of the Pay Policy Statement

The Localism Act stipulates that the Council's Pay Policy Statement should be kept under regular review on an annual basis. This includes a publication of the salaries of the most senior employees within the organisation compared to the lowest paid employees. This includes using pay multiples.

The Policy is approved by the Human Resources Committee and presented to Full Council.

The Human Resources Committee will take responsibility for the role of the Council's Remuneration Panel. In fulfilling this role the Committee will ensure that decisions will be based on the following:

- Support the achievement of the Council's aims
- Take account of wider public sector pay policy and good practice
- Are proportionate, fair and equitable and support equal pay principles
- Take account of appropriate pay differentials
- Attract, retain and motivate Officers of the right quality and talent
- Take account of the resources required in transitioning to any revised arrangements

Other Policies

The Council has a number of policies that could have a financial benefit and should be read in conjunction with this Pay Policy Statement including the following:

- Disturbance Allowances Policy
- Organisational Change and Redundancy Policy
- Market Forces Policy
- Flexible Retirement Policy
- Acting Up Policy
- Relocation Policy
- Long Service and Retirement Gifts Policy

All of the above policies apply equally to all employees of Tendring District Council.
