AGENT:

Mr John McPherson

First Floor 29 Station Road Dovercourt Harwich

Essex CO12 3AL

APPLICANT: Mr 8

Mr & Mrs Gary Cousins

25 Keynes Way Dovercourt Harwich Essex CO12 3UA

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO:

18/02080/FUL

DATE REGISTERED:

19th December 2018

Proposed Development and Location of Land:

Proposed new dwelling.

25 Keynes Way Dovercourt Harwich Essex

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY <u>HEREBY</u> <u>REFUSE PLANNING PERMISSION</u> in accordance with the application form, supporting documents and plans submitted for the following reason(s)

The Government attaches great importance to the design of the built environment. Good design is a key aspect of sustainable development, is indivisible from good planning, and should contribute positively to making places better for people. One of the core planning principles of The National Planning Policy Framework (NPPF) as stated at paragraph 124 is to always seek to secure high quality design.

The adopted Tendring District Local Plan (2007) "Saved" Policies QL9, QL10 and QL11 seek to ensure that all new development makes a positive contribution to the quality of the local environment and character, by ensuring that proposals are well designed, relate satisfactorily to their setting and are of a suitable scale, mass and form. These sentiments are carried forward in Policy SPL3 of the Tendring District Local Plan 2013-2033 and Beyond Publication Draft (June 2017).

Saved Policy HG14 of the adopted Tendring District Local Plan 2007 aims to ensure that appropriate open space is achieved between dwellings and the side boundaries of their plots to ensure that new development is appropriate in its setting and does not create a cramped appearance and to safeguard the open aspect. The policy states that as a guideline, a minimum distance of 1 metre will be sought but where circumstances warrant it, a greater distance will be expected.

There is a strong building line beginning with Number 25 and running westwards. The proposed dwelling will extend beyond this building line, appearing incongruous and cramped in relation to the more spacious surrounding plots. Further, the contrived nature of the proposed development would also set a harmful precedent for future similar forms of development, particularly to the land adjacent to both the north and north-west. This, together with its extended hard surfaced access, parking and turning areas would compromise the spacious character of the locality and increase the density of built form to the severe detriment of the character of the surrounding area.

For the reasons set out above, the proposal is contrary to the aims and aspirations of the aforementioned national and local policies.

Policy QL11 of the Saved Plan states that amongst other criteria, 'development will only be permitted if the development will not have a materially damaging impact on the privacy, daylight or other amenities of occupiers of nearby properties'. These sentiments are carried forward in Policy SPL3 of the Tendring District Local Plan 2013-2033 and Beyond Publication Draft (June 2017).

With regards to the amenities of Number 25 Keynes Way, the development appears cramped with only an approximate 1 metre separation distance between the two properties. The proposed dwelling is 1.5 storeys and given the close separation distance the dwelling will appear dominant and imposing in relation to the single storey bungalow, also resulting in loss of natural daylight to windows along the northern elevation and to the rear extension, to the serious detriment of their existing amenities.

The proposal is therefore contrary to the aims and aspirations of the aforementioned policies.

Paragraph 54 of the National Planning Policy Framework (2018) states Local Planning Authorities should consider whether otherwise unacceptable development could be made acceptable through the use of conditions or planning obligations. Paragraph 56 of the NPPF states planning obligations must only be sought where they meet are necessary to make the development acceptable in planning terms, directly relate to the development and fairly and reasonably relate in scale and kind to the development.

Policy COM6 of the adopted Tendring District Local Plan 2007 states "For residential development below 1.5 hectares in size, developers shall contribute financially to meet the open space requirements of the development in proportion to the number and size of dwellings built".

There is currently a deficit of -12.67 hectares of equipped play in Harwich and Dovercourt. Due to the overall deficit in both Open Space and Play Areas in the area a contribution is both relevant and justified to this application, with the money to be spent modernising the fence at Dovercourt Pool Play Area.

No such contribution has been included within this application nor has any justification for the lack of a contribution and therefore this scheme does not comply with Policy COM6.

Under the Habitats Regulations, a development which is likely to have a significant effect or an adverse effect (alone or in combination) on a European designated site must provide mitigation or otherwise must satisfy the tests of demonstrating 'no alternatives' and 'reasons of overriding public interest'. There is no precedent for a residential development meeting those tests, which means that all residential development must provide mitigation. This residential development lies within the Zone of Influence of the Essex Coast Recreational disturbance Avoidance and Mitigation Strategy (RAMS). The residents of new housing are therefore considered likely to regularly visit relevant designated sites for recreation. In order to avoid a likely significant effect in terms of increased recreational disturbance to coastal European designated sites (Habitats sites) in particular the Hamford Water SPA and Ramsar site, mitigation measures will need to be in place prior to occupation.

A proportionate financial contribution has not been secured in accordance with the emerging Essex Coast Recreational disturbance Avoidance and Mitigation Strategy (RAMS) requirements. As submitted, there is no certainty that the development would

not adversely affect the integrity of Habitats sites.

The proposal is therefore considered to be contrary to Policies EN6 and EN11a of the Saved Tendring District Local Plan 2007, Policy PPL4 of the emerging Tendring District Local Plan 2013-2033 and Beyond Publication Draft and Regulation 63 of the Conservation of Habitat and Species Regulations 2017.

DATED:

12th April 2019

SIGNED:

Cathbickness.

Catherine Bicknell Head of Planning

IMPORTANT INFORMATION:-

The local planning authority considers that the following policies and proposals in the development plan are relevant to the above decision:

NPPF National Planning Policy Framework February 2019

National Planning Practice Guidance

Essex County Council Car Parking Standards - Design and Good Practice

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application. However, the issues are so fundamental to the proposal that it has not been possible to negotiate a satisfactory way forward and due to the harm which has been clearly identified within the reason(s) for the refusal, approval has not been possible.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice. A Householder Appeal Form is required, available online at https://www.gov.uk/planning-inspectorate
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice. A Planning Appeal Form is required, available online at https://www.gov.uk/planning-inspectorate
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within 6 months of the date of this notice. A Planning Appeal Form is required, available online at https://www.gov.uk/planning-inspectorate
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at https://www.gov.uk/planning-inspectorate. Please note, only the applicant possesses the right of appeal.
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by the Secretary of State.

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
