

TENDRING DISTRICT COUNCIL

Planning Services

Council Offices, Thorpe Road, Weeley, Clacton-on-Sea, Essex CO16 9AJ

APPLICANT: Michael Wagland
5 Naze Court
Old Hall Lane
Walton On The Naze
Essex
CO14 8LJ

AGENT:

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 19/00396/FUL

DATE REGISTERED: 15th March 2019

Proposed Development and Location of Land:

**Proposed erection of 2 bedroom house with attic studio.
Land adjacent 2 Harrow Road Clacton On Sea Essex**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY REFUSE PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted for the following reason(s)

- 1 Paragraph 38 of the National Planning Policy Framework (NPPF) states that planning should seek to secure developments that will improve the economic, social and environmental conditions of the area. Furthermore, at paragraph 124 the NPPF confirms that one of the core planning principles is to always seek to secure high quality design and a good standard of amenity for all existing and future occupants of land and buildings.

Saved Policy QL10 of the Tendring District Local Plan (2007) requires that all new development should meet functional requirements. In particular the policy states that planning permission will only be granted if; provision is made for functional needs including private amenity space, waste storage, separation and recycling facilities and cycle parking. Saved Policy HG9 regarding private amenity space stipulates that a two bedroom property should be provided with a minimum of 75 square metres of private amenity space. Emerging Policy SPL3 of the Tendring District Local Plan 2013-2033 and Beyond Publication Draft (June 2017) again reflects these requirements.

In this instance the proposal demonstrates a private amenity area of 40 square metres. This falls well short of the minimum requirement of 75 square metres as required by Policy HG9 of the Adopted Local Plan. Given this, and that the amenity area itself will be severely overlooked by surrounding properties, the proposal fails to adhere to the above policies to the serious detriment of future occupiers residential amenity.

- 2 Under the Habitats Regulations, a development which is likely to have a significant effect or an adverse effect (alone or in combination) on a Special Protection Area must provide mitigation or otherwise must satisfy the tests of demonstrating 'no alternatives' and 'reasons of overriding public interest'. There is no precedent for a residential development meeting those tests, which means that all residential development must provide mitigation. A proportionate financial contribution has not been secured in

accordance with the emerging Essex Coast Recreational disturbance Avoidance and Mitigation Strategy (RAMS) requirements. As submitted, there is no certainty that the development would not adversely affect the integrity of Habitats sites.

The proposal is therefore considered to be contrary to Policies EN6 and EN11a of the Saved Tendring District Local Plan 2007 and Policy PPL4 of the emerging Tendring District Local Plan 2013-2033 and Beyond Publication Draft.

DATED: 10th May 2019

SIGNED:

Catherine Bicknell
Head of Planning
