Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

This application is the subject of a legal agreement and this decision should only be read in conjunction with this agreement. The agreement addresses the following issues: Essex Coast Recreational disturbance Avoidance and Mitigation Strategy (RAMS) financial contribution in accordance with policies EN6 and EN11a of the Saved Tendring District Local Plan 2007, Policy PPL4 of the emerging Tendring District Local Plan 2013-2033 and Beyond Publication Draft and Regulation 63 of the Conservation of Habitat and Species Regulations 2017.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by the Secretary of State.

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
