Proposed Development and Location of Land:

**Proposed replacement rear extension.
18 High Street Manningtree Essex CO11 1AD**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT LISTED BUILDING CONSENT** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions:

- 1 The works hereby permitted shall begin before the expiration of three years from the date of this consent.

Reason - To comply with the requirements of Section 18(1) of the Planning (Listed Buildings and Conservation Areas) Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plan: Drawing Ref: PA-10A

Reason - For the avoidance of doubt and in the interests of proper planning.

- 3 No development of any kind shall take place until the applicant has secured the implementation of a programme of archaeological monitoring in accordance with a written scheme of investigation which has been submitted by the applicant, and approved by the planning authority.

Reason - The Tendring Historic Environment Characterisation project and Essex HER show that the proposed development is located within an area with potential for below ground archaeological deposits. The development could result in harm to non-designated heritage assets with archaeological interest.

- 4 Construction of any extension shall not be commenced until (photographic) samples of the materials to be used on the external finishes, window frames, and rainwater goods have been submitted to and approved in writing by the local planning authority. The development shall be implemented in accordance with the approved details and permanently maintained as such.

Reason - To ensure the materials used are sympathetic to the heritage asset

NOTES FOR GUIDANCE

ABOUT LISTED BUILDING AND CONSERVATION AREA APPLICATIONS

1. If you are aggrieved by the decision of the local planning authority to refuse Listed Building consent or Conservation Area consent for the proposed works, or to grant consent subject to conditions, you may appeal to the Secretary of State for Communities and Local Government in accordance with Section 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990 within six months of receipt of this notice. Appeals must be made on a **Conservation Area / Listed Building Appeal Form (whichever is applicable)** which is obtainable from the Planning Inspector, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. The Secretary of State has power to allow a longer period for the giving of a notice appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. **Please note, only the applicant possesses the right of appeal.**
2. If Listed Building consent or Conservation Area consent is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for Communities and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, he may serve on the Council of the district, a purchase notice requiring that the Council to purchase his interest in the land in accordance with the provisions of Section 32 of the Planning (listed Building and conservation areas) Act 1990.
3. In certain circumstances a claim may be made against the local planning authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 27 of the Planning (Listed Buildings and Conservation areas) act 1990.
4. Identical rights of appeal exist if an applicant is aggrieved by the decision of the local planning authority in relation to an application made on that behalf:-
 - a) To refuse, to vary or to discharge the conditions attached to a Listed Building consent or Conservation Area Consent
or
 - b) To add new conditions consequential upon any such variation or discharge.

The attached notes explain the rights of appeal.
