APPLICANT: Parkers Farms
C/o Agent

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 19/00611/OUT **DATE REGISTERED:** 17th April 2019

Proposed Development and Location of Land:

**Proposal for 2no. dwellings.
Land adjacent 41 The Street Kirby Le Soken Essex**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY REFUSE OUTLINE PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, for the following reason(s)

- 1 Paragraph 170 of the National Planning Policy Framework (2019) states planning decisions should contribute to and enhance the natural and local environment by recognising the intrinsic character and beauty of the countryside, and should protect and enhance valued landscapes.

Policy EN1 of the Saved Local Plan states the quality of the district's landscape and its distinctive local character will be protected and, where possible, enhanced. Any development which would significantly harm landscape character or quality will not be permitted. The sentiments of this policy are carried forward within Emerging Local Plan Policy PPL3.

The main body of the application site is set to grass with a low level and poor quality hedgerow situated on the boundary with the highway. There are no trees or other significant vegetation on the application site.

On the western boundary of the application site and situated within the curtilage of 41 The Street there are two established trees that make a reasonable contribution to the character and appearance of the area. They are a large Horse Chestnut and a smaller False Acacia. Taking into account the size of the trees it is likely that roots will have encroached onto the application site.

The agent for the application was asked to provide an Arboricultural Impact Assessment to show the likely impact of the development on trees on land adjacent to the application site, in order to show the extent to which the trees are a constraint on the development potential of the land, and to show details of the way that the trees would be physically protected for the duration of the construction phase of any development. However this information was not provided.

It has therefore not been properly demonstrated that the proposed development can be constructed without causing harm to trees that make a positive contribution to the local area, and therefore fails to accord with the above national and local policies. Avoiding the root protection areas of these trees will also impact upon the layout of the site, which will need to be carefully assessed given the location abutting the

Kirby-le-Soken Conservation Area.

- 2 Under the Habitats Regulations, a development which is likely to have a significant effect or an adverse effect (alone or in combination) on a European designated site must provide mitigation or otherwise must satisfy the tests of demonstrating 'no alternatives' and 'reasons of overriding public interest'. There is no precedent for a residential development meeting those tests, which means that all residential development must provide mitigation. This residential development lies within the Zone of Influence of the Essex Coast Recreational disturbance Avoidance and Mitigation Strategy (RAMS). The residents of new housing are therefore considered likely to regularly visit relevant designated sites for recreation. In order to avoid a likely significant effect in terms of increased recreational disturbance to coastal European designated sites (Habitats sites) in particular the Hamford Water SPA and Ramsar site, mitigation measures will need to be in place prior to occupation.

A proportionate financial contribution has not been secured in accordance with the emerging Essex Coast Recreational disturbance Avoidance and Mitigation Strategy (RAMS) requirements. As submitted, there is no certainty that the development would not adversely affect the integrity of Habitats sites.

The proposal is therefore considered to be contrary to Policies EN6 and EN11a of the Saved Tendring District Local Plan 2007, Policy PPL4 of the emerging Tendring District Local Plan 2013-2033 and Beyond Publication Draft and Regulation 63 of the Conservation of Habitat and Species Regulations 2017.

DATED: 12th June 2019

SIGNED:

Catherine Bicknell
Head of Planning

IMPORTANT INFORMATION :-

The local planning authority considers that the following policies and proposals in the development plan are relevant to the above decision:

NPPF National Planning Policy Framework February 2019

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and discussing those with the Applicant. Unfortunately, it has not been possible to resolve those matters within the timescale allocated for the determination of this planning application. However, the Local Planning Authority has clearly set out, within its report, the steps necessary to remedy the harm identified within the reasons for refusal - which may lead to the submission of a more acceptable proposal in the future. The Local Planning Authority is willing to provide pre-application advice in respect of any future application for a revised development.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by the Secretary of State.

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
