Just a reminder - Bin/Net file

A replacement tree shall be planted during the first planting season (1 November to 31 March) following the removal of the Beech tree to which this consent relates. The replacement tree shall be *Fagus sylvatica* 'Purpurea' (Copper Beech) or other Beech species to be agreed in writing and in advance of the felling, with the local planning authority and have a girth of 10 to 12 cm.

It shall be planted in the same or as close as possible to the same location as the felled tree. If within a period of 5 years from the date of planting the tree is removed, uprooted, is destroyed or otherwise dies another tree of the same size and species shall be planted at the same place or in accordance with any variation for which the local planning authority gives written approval.
