TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 19/00554/FUL

DATE REGISTERED: 11th April 2019

Proposed Development and Location of Land:

**Conversion of a traditional Essex barn into a dwelling.
Church Farm House Lodge Lane Tendring Clacton On Sea**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY REFUSE PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted for the following reason(s)

- 1 Under the Habitats Regulations, a development which is likely to have a significant effect or an adverse effect (alone or in combination) on a European designated site must provide mitigation or otherwise must satisfy the tests of demonstrating 'no alternatives' and 'reasons of overriding public interest'. There is no precedent for a residential development meeting those tests, which means that all residential development must provide mitigation. This residential development lies within the Zone of Influence of the Essex Coast Recreational disturbance Avoidance and Mitigation Strategy (RAMS). The residents of new housing are therefore considered likely to regularly visit relevant designated sites for recreation. In order to avoid a likely significant effect in terms of increased recreational disturbance to coastal European designated sites (Habitats sites) in particular the Hamford Water Ramsar and SPA site, mitigation measures will need to be in place prior to occupation.

A proportionate financial contribution has not been secured in accordance with the emerging Essex Coast Recreational disturbance Avoidance and Mitigation Strategy (RAMS) requirements. As submitted, there is no certainty that the development would not adversely affect the integrity of Habitats sites.

The proposal is therefore considered to be contrary to Policies EN6 and EN11a of the Saved Tendring District Local Plan 2007, Policy PPL4 of the emerging Tendring District Local Plan 2013-2033 and Beyond Publication Draft and Regulation 63 of the Conservation of Habitat and Species Regulations 2017.

- 2 Paragraph 54 of the National Planning Policy Framework (2019) states Local Planning Authorities should consider whether otherwise unacceptable development could be made acceptable through the use of conditions or planning obligations. Paragraph 56 of the NPPF states planning obligations must only be sought where they are necessary to make the development acceptable in planning terms, directly relate to the development and fairly and reasonably relate in scale and kind to the development.

Policy COM6 of the adopted Tendring District Local Plan 2007 states "For residential development below 1.5 hectares in size, developers shall contribute financially to meet the open space requirements of the development in proportion to the number and size of dwellings built".

There is currently a deficit of -1.33 hectares of equipped play/formal open space in Tendring, with the nearest play area, Heath Road, located approximately 0.3 miles apart. Due to the close proximity of the play area to this development a contribution towards play is justified and relevant to the planning application. The contribution would be used towards providing new equipment at the play area in Heath Road.

No such contribution has been included within this application nor has any justification for the lack of a contribution and therefore this scheme does not comply with Policy COM6.
