Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.
