TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 19/01051/FUL

DATE REGISTERED: 15th July 2019

Proposed Development and Location of Land:

Resubmission of application 19/00574/FUL (Extension and Alteration) to amend window configuration on previously approved plans under 19/00574/FUL.

4 Brockham Close Clacton On Sea Essex CO16 8XR

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY REFUSE PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted for the following reason(s)

- 1 The National Planning Policy Framework states planning should always seek to secure high quality design and a good standard of amenity for all existing and future occupants of land and buildings. Saved Policy QL11 states development will only be permitted where it will not have a materially damaging impact on the privacy, daylight or other amenities of occupiers of nearby properties. Draft Policy SPL3 states that buildings and structures should be designed and orientated to ensure adequate daylight, outlook and privacy is retained for future and existing residents.

To the South of the site is 2 Brockham Close, the alterations to the window will be located on the gable end at first floor level which will look directly over the rear amenity space of this neighbouring dwelling. There are currently no side windows at first floor which overlook this neighbouring site and the alterations to the window will only be sited 4m from the neighbouring boundary which would exacerbate the harm to the neighbouring privacy. In this respect the development has a significant detrimental impact upon the neighbour's privacy levels contrary to the aims and aspirations of the above-mentioned national and local planning policies.
