2. If Listed Building Consent is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for Communities and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, he may serve on the Council of the district, a purchase notice requiring that the Council to purchase his interest in the land in accordance with the provisions of Section 32 of the Planning (listed Building and conservation areas) Act 1990.
3. In certain circumstances a claim may be made against the local planning authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him.  - or
 - b) To add new conditions consequential upon any such variation or discharge.
