---------------	--	-------------------	---

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 19/01259/DETAIL **DATE REGISTERED:** 21st August 2019

Proposed Development and Location of Land:

**Reserved matters application for 2no. dwellings.
Land at Frating Road Great Bromley**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **GRANT APPROVAL OF RESERVED MATTERS** pursuant to Outline Planning Permission No. 17/01020/OUT in accordance with the application form, supporting documents and plans submitted subject to the following conditions

- 1 The development hereby permitted shall be carried out in accordance with the following approved plans: Drawing No. 919/02 A and 919/01.

Reason - For the avoidance of doubt and in the interests of proper planning.

- 2 Notwithstanding the provisions of Article 3, Schedule 2 Part 1 Classes A, B, C and E of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), there shall be no additions or alterations to the dwellings or their roofs, nor shall any buildings, enclosures, swimming or other pool be erected except in accordance with drawings showing the design and siting of such additions and/or building(s) which shall previously have been submitted to and approved, in writing, by the local planning authority.

Reason - It is necessary for the local planning authority to be able to consider and control further development in the interests of visual and residential amenities.

- 3 All changes in ground levels, hard landscaping, planting, seeding or turfing shown on the approved 'Site Plan and Landscape' Drawing No. 919/02 A shall be carried out during the first planting and seeding season (October - March inclusive) following the commencement of the development or in such other phased arrangement as may be agreed in writing by the Local Planning Authority. Any trees or shrubs which, within a period of 5 years of being planted die, are removed or seriously damaged or seriously diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority agrees in writing to a variation of the previously approved details.

Reason - To ensure the adequate maintenance of the approved landscaping scheme for a period of five years in the interests of the character of the development.

- 4 Notwithstanding the fencing details shown on approved Drawing No. 919/02 A there shall be no fences erected forward of the forward most part of the dwellings hereby approved.

Reason - In the interests of visual amenity and the character and appearance of the area.

- 5 The protective fencing detailed on Drawing Number 0348-01, submitted as part of application 17/01020/OUT (allowed on appeal) shall be retained throughout the construction phase of the development.

Reason - In the interests of safeguarding the retained tree in the interests of the character of the area.

- 6 Prior to the first occupation of the development, the proposed private vehicular access with Frating Road shall be constructed at right angles to the highway boundary and to the existing carriageway as shown in principle on the Block Plan, drawing no. 919/02 A to a width of 5.5 metres for at least the first 6 metres from the back of Carriageway / Footway / Highway Boundary and provided with an appropriate dropped kerb crossing of the footway/verge.

Reason - To ensure that vehicles can enter and leave the highway in a controlled manner and to ensure that opposing vehicles can pass clear of the limits of the highway, in the interests of highway safety.

- 7 Prior to first occupation of the development, the road junction at its centre line shall be provided with a clear to ground visibility splay with dimensions of 2.4 metres by 70 metres in both directions as shown in principle on the Block Plan, drawing no. 919/02 A and as measured from and along the nearside edge of the carriageway. Such vehicular visibility splays shall be provided before the vehicle access is first used by vehicular traffic.

Reason - To provide adequate inter-visibility between vehicles using the road junction / access and those in the existing public highway in the interest of highway safety.

- 8 No unbound material shall be used in the surface treatment of the vehicular access throughout.

Reason - To avoid displacement of loose material onto the carriageway in the interests of highway safety.

- 9 There shall be no discharge of surface water onto the Highway.

Reason - To prevent hazards caused by water flowing onto the highway and to avoid the formation of ice on the highway in the interest of highway safety.

- 10 Any new boundary planting shall be planted a minimum of 1 metre back from the highway boundary and any visibility splays.

Reason - To ensure that the future outward growth of the planting does not encroach upon the highway or interfere with the passage of users of the highway, to preserve the integrity of the highway and in the interests of highway safety.

DATED: 15th October 2019

SIGNED:

Cath Brennan

IMPORTANT INFORMATION :-

The local planning authority considers that the following policies and proposals in the development plan are relevant to the above decision:

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Highways Informative

Areas within the curtilage of the site for the purpose of the reception and storage of building materials shall be identified clear of the highway.

On the completion of the Development, all roads, footways/paths, cycle ways, covers, gratings, fences, barriers, grass verges, trees, and any other street furniture within the Site and in the area it covers and any neighbouring areas affected by it, must be left in a fully functional repaired/renovated state to a standard accepted by the appropriate statutory authority.

Steps should be taken to ensure that the Developer provides enough turning and off-loading facilities for delivery and site worker vehicles, within the limits of the site together with an adequate parking area for those employed in developing the site.

Any work within or affecting the highway is to be laid out and constructed by prior arrangement with, and to the requirements and satisfaction of, the Highway Authority, details to be agreed before the commencement of works.

The applicants should be advised to contact the Development Management Team by email at: development.management@essexhighways.org or by post to:

SMO1 ' Essex Highways
Colchester Highways Depot,
653 The Crescent,
Colchester.
CO4 9YQ.

Legal Agreement Informative - Recreational Impact Mitigation

This application is the subject of a legal agreement and this decision should only be read in conjunction with this agreement. The agreement addresses the following issues: mitigation against any recreational impact from residential developments in accordance with Regulation 63 of the Conservation of Habitat and Species Regulations 2017.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
