Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.
