TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 19/01859/FUL

DATE REGISTERED: 19th December 2019

Proposed Development and Location of the Land:

**Erection of two dwellings (amendment to condition 02 on planning permission 19/00337/FUL to finalise a minor variation to design of plot 2).
120 Golf Green Road Jaywick Essex CO15 2RN**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans and documents;

Drawing number 1858-02

Drawing number 1858-06

Drawing number 1858-05

Flood Management Plan & Flood Evacuation Plan scanned 09 Dec 2019.

Reason - For the avoidance of doubt and in the interests of proper planning.

- 3 Prior to occupation, the proposed private drive shall be constructed to a width of 5.5 metres for at least the first 6 metres from the back of footway and provided with an appropriate dropped kerb crossing of the footway.

Reason - To ensure that vehicles can enter and leave the highway in a controlled manner and to ensure that opposing vehicles can pass clear of the limits of the highway, in the interests of highway safety.

- 4 No unbound material shall be used in the surface treatment of the vehicular access within 6 metres of the highway boundary.

Reason - To avoid displacement of loose material onto the highway in the interests of

highway safety.

- 5 Prior to occupation, and as per the Essex Parking Standards, 6 metres should be provided behind each parking space to allow for manoeuvring.

Reason - To ensure that vehicles can enter and leave the highway in a forward gear in the interest of highway safety.

- 6 Any new boundary planting shall be planted a minimum of 1 metre back from the highway boundary and any visibility splay.

Reason - To ensure that the future outward growth of the planting does not encroach upon the highway or interfere with the passage of users of the highway, to preserve the integrity of the highway and in the interests of highway safety.

- 7 Prior to the commencement of any above ground works, a scheme of hard and soft landscaping works for the site shall be submitted to and approved, in writing, by the Local Planning Authority. The scheme shall include any proposed changes in ground levels and also accurately identify spread, girth and species of all existing trees, shrubs and hedgerows on the site and indicate any to be retained, together with measures for their protection which shall comply with the recommendations set out in the British Standards Institute publication "BS 5837: 2012 Trees in relation to design, demolition and construction.

Reason - To enhance the visual impact of the proposed works.

- 8 All changes in ground levels, hard landscaping, planting, seeding or turfing shown on the approved landscaping details shall be carried out during the first planting and seeding season (October - March inclusive) following the commencement of the development or in such other phased arrangement as may be agreed in writing by the Local Planning Authority. Any trees or shrubs which, within a period of 5 years of being planted die, are removed or seriously damaged or seriously diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority agrees in writing to a variation of the previously approved details.

Reason - To enhance the visual impact of the proposed works.

- 9 On commencement of development the Flood Risk Assessment, Flood Management Plan and Flood Evacuation Plan shall be immediately brought into use and shall remain in force for the duration of the construction and occupation period. The Flood Management Plan and Flood Evacuation Plan shall remain live documents and be updated where required.

Reason - The site lies within Flood Zone 3a at high risk from flooding and a detailed evacuation plan is essential to safeguard future occupiers of the development

Legal Agreement Informative - Recreational Impact Mitigation

This application is the subject of a short unilateral undertaking in agreement associated with planning permission 19/01859/FUL and this decision should only be read in conjunction with this agreement. The agreement addresses the following issues: mitigation against any recreational impact from residential developments in accordance with Regulation 63 of the Conservation of Habitat and Species Regulations 2017.

Legal Agreement Informative - Open Space/Play Space Contribution

This application is the subject of a short unilateral undertaking in agreement associated with planning permission 19/01859/FUL and this decision should only be read in conjunction with this agreement. The agreement addresses the following issues: Public Open Space financial contribution in accordance with Policy COM6 of the adopted Tendring District Local Plan (2007) and Policy HP5 of the emerging Tendring District Local Plan 2013-2033 and Beyond Publication Draft.

Building Control

Access for a fire fighting appliance required in accordance with Section B5 from Approved Document B.

Highways

Areas within the curtilage of the site for the purpose of the reception and storage of building materials shall be identified clear of the carriageway.

Steps should be taken to ensure that the Developer provides sufficient turning and off-loading facilities for delivery and site worker vehicles, within the limits of the site together with an adequate parking area for those employed in developing the site.

On the completion of the Development, all roads, footways/paths, cycle ways, covers, gratings, fences, barriers, grass verges, trees, and any other street furniture within the Site and in the area it covers and any neighbouring areas affected by it, must be left in a fully functional repaired/renovated state to a standard accepted by the appropriate statutory authority.

All work within or affecting the highway is to be laid out and constructed by prior arrangement with and to the requirements and specifications of the Highway Authority; all details shall be agreed before the commencement of works.

The applicants should be advised to contact the Development Management Team by email at development.management@essexhighways.org or by post to:

SMO1 - Essex Highways
Colchester Highways Depot,
653 The Crescent,
Colchester

The Highway Authority cannot accept any liability for costs associated with a developer's improvement. This includes design check safety audits, site supervision, commuted sums for maintenance and any potential claims under Part 1 and Part 2 of the Land Compensation Act 1973. To protect the Highway Authority against such compensation claims a cash deposit or bond may be required.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
