T12, T14, T15 and T17, Oaks - Reduce crown by 2 - 3.5 metres.

Location: 171 Thorpe Road Kirby Cross Frinton On Sea

Site Inspection: 5.3.2020 Copy sent to Parish Council 21 February 2020

Target Date: 1 April 2020

Observations: It is clear that the application for consent for works to trees is related to the development or the land.
The proposed works to the tree contained in (1) will allow safe access beneath tree canopies and re-balance crowns of the remaining canopy. The works will not harm the trees nor will it significantly diminish their visual amenity value.

Work to reduce T12, T14, T15 and T17 will also allow safe access beneath the canopies of the trees and help to rebalance crowns. It is noted that none of the trees that are the subject of this application have been worked on recently and the proposed pruning will allow and facilitate the removal of dead, dying damaged and diseased wood.
