TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 20/00496/FUL **DATE REGISTERED:** 14th April 2020

Proposed Development and Location of the Land:

**Proposed construction of self-build dwelling.
Land adjacent to Chapelfields Harwich Road Wix Essex**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Drawing no. 889-04, Drawing no. 681/SK Revision B and Drawing 889-03 Revision B.

Reason - For the avoidance of doubt and in the interests of proper planning.

- 3 No above ground works shall be commenced until precise details of the manufacturer and types and colours of the external facing and roofing materials to be used in construction have been submitted to and agreed, in writing, by the Local Planning Authority. Such materials as may be agreed shall be those used in the development unless otherwise agreed in writing by the Local Planning Authority.

Reason - In the interests of visual amenity as insufficient information has been provided within the application.

- 4 No above ground works shall take place until there has been submitted to and approved, in writing, by the Local Planning Authority a scheme of hard and soft landscaping works for the site, which shall include all boundary treatments and any proposed changes in ground levels and also accurately identify spread, girth and species of all existing trees, shrubs and hedgerows on the site and indicate any to be retained, together with measures for their protection which shall comply with the recommendations set out in the

British Standards Institute publication "BS 5837: 2012 - Trees in Relation to Design, Demolition and Construction."

Reason - To ensure that the development is appropriate within its setting.

- 5 All changes in ground levels, hard landscaping, planting, seeding or turfing shown on the approved landscaping details shall be carried out during the first planting and seeding season (October - March inclusive) following the commencement of the development or in such other phased arrangement as may be agreed in writing by the Local Planning Authority. Any trees or shrubs which, within a period of 5 years of being planted die, are removed or seriously damaged or seriously diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority agrees in writing to a variation of the previously approved details.

Reason - To ensure the adequate maintenance of the approved landscaping scheme for a period of five years in the interests of the character of the area and the quality of the development.

- 6 No above ground level works shall take place until precise details of the provision, siting, design and materials of screen walls and fences have been submitted to and approved in writing by the Local Planning Authority. The approved screen walls and fences shall be erected prior to the occupation of the dwelling and thereafter be retained in the approved form unless otherwise agreed in writing by the Local Planning Authority.

Reason - To ensure that the development is appropriate within its edge of settlement location and in the interests of residential amenity.

- 7 No above ground works shall take place until a detailed ecological enhancement and management scheme be submitted to and approved in writing by the Local Planning Authority. The scheme shall be in accordance with Section 8.0 Recommendations and Appendix 5 of the accompanying Hillier Ecology Extended Phase 1 Survey dated June 2019 and include a timetable for implementation. The development shall be implemented in accordance with the approved works prior to the occupation of the hereby approved dwellings.

Reason - To preserve and enhance the biodiversity of the site.

- 8 Notwithstanding the provisions of Article 3, Schedule 2 Part 2 Class A of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), no provision of fences, walls or other enclosures, shall be erected forward of the front elevation of the dwellings hereby approved.

Reason - In the interests of visual amenity and the character and appearance of the area.

- 9 In relation to the trees contained within the application site, the development shall be carried out in strict accordance with the ARBORICULTURAL REPORT dated 25th June 2019 and Tree Protection Measures contained therein.

Reason - In order to safeguard the trees to be retained in the interests of the visual amenity and biodiversity.

- 10 The removal of all vegetation shall only be carried out outside of the bird nesting season (March to August inclusive).

Reason - To ensure the protection of birds potentially nesting on site.

- 11 Prior to occupation of the development, the private access at its centre line shall be provided with a clear to ground visibility splay with dimensions of 2.4 metres by 43 metres in both directions, as measured from and along the nearside edge of the carriageway. Such vehicular visibility splays shall be provided before the private access is first used by vehicular traffic and retained free of any obstruction at all times.

Reason - To provide adequate inter-visibility between vehicles using the road junction / access and those in the existing public highway in the interest of highway safety.

- 12 Prior to the occupation of the development the vehicular parking and turning areas to the front of the site shall be constructed, surfaced and maintained free from obstruction at all times for that sole purpose.

Reason - To ensure that vehicles can enter and leave the highway in a forward gear in the interest of highway safety.

- 13 Prior to occupation of the dwelling, the existing footway across the entire frontage of the site shall be widened to a maximum of 2 metres and shall be provided entirely at the Developer's expense (As per application: 20/00340/FUL) in accordance and in principal with site and block plan drawing no. 889-04.

Reason - To make adequate provision within the highway for the continued safe passage of pedestrians.

- 14 No unbound material shall be used in the surface treatment of the vehicular access within 6 metres of the highway boundary.

Reason - To avoid displacement of loose material onto the highway in the interests of highway safety.

- 15 Prior to occupation of the development the vehicular access shall be constructed at right angles to the highway boundary and to the existing carriageway. The width of the access at its junction with the highway shall not be more than 4.5 metres (5 drop kerbs), shall be retained at that width for 6 metres within the site and shall be provided with an appropriate dropped kerb vehicular crossing of the footway/highway verge.

Reason - To ensure that vehicles can enter and leave the highway in a controlled manner in the interest of highway safety.

- 16 There shall be no discharge of surface water onto the Highway.

Reason - To prevent hazards caused by water flowing onto the highway and to avoid the formation of ice on the highway in the interest of highway safety.

- 17 Each vehicular parking space shall have minimum dimensions of 2.9 metres x 5.5 metres.

Reason - To ensure adequate space for parking off the highway is provided in the interest of highway safety.

18 All single garages should have a minimum internal measurement of 7m x 3m.

Reason - To encourage the use of garages for their intended purpose and to discourage on-street parking, in the interests of highway safety.

19 The proposed new boundary planting shall be planted a minimum of 1 metre back from the highway boundary and any visibility splay in accordance and in principal with site and block plan drawing no. 889-04.

Reason - To ensure that the future outward growth of the planting does not encroach upon the highway or interfere with the passage of users of the highway, to preserve the integrity of the highway and in the interests of highway safety.

20 All new parking areas and areas of hardstanding shall be made of porous materials, or provision shall be made to direct run-off water from the hard surface to a permeable or porous area within the site area.

Reason - In the interests of sustainable development and to minimise the risk of surface water flooding.

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Agent, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Legal Agreement Informative - Recreational Impact Mitigation

This application is the subject of a legal agreement and this decision should only be read in conjunction with this agreement. The agreement addresses the following issues: mitigation against any recreational impact from residential developments in accordance with Regulation 63 of the Conservation of Habitat and Species Regulations 2017.

Highways Informatives

1: Steps should be taken to ensure that the Developer provides enough turning and off-loading facilities for delivery and site worker vehicles, within the limits of the site together with an adequate parking area for those employed in developing the site.

2: All work within or affecting the highway is to be laid out and constructed by prior arrangement with and to the requirements and specifications of the Highway Authority; all details shall be agreed before the commencement of works.

The applicants should be advised to contact the Development Management Team by email at development.management@essexhighways.org or by post to:

SMO1 - Essex Highways
Colchester Highways Depot,
653 The Crescent,
Colchester
CO4 9YQ

3: The Highway Authority cannot accept any liability for costs associated with a developer's improvement. This includes design check safety audits, site supervision, commuted sums for maintenance and any potential claims under Part 1 and Part 2 of the Land Compensation Act 1973. To protect the Highway Authority against such compensation claims a cash deposit or bond may be required.

4: Prior to commencement of the development, the areas within the curtilage of the site for the purpose of loading / unloading / reception and storage of building materials and manoeuvring of all vehicles, including construction traffic shall be provided clear of the highway to ensure that appropriate loading / unloading facilities are available to ensure that the highway is not obstructed during the construction period in the interest of highway safety.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
