Observations: 2 small trees in the rear garden of the host property. They form part of an old woodland/group TPO much of which has been incorporated into the garden at the Lawford Place development. They are screened from view from the highway by adjacent trees and can only clearly be viewed from the small private car park serving the estate. The removal of the trees will have little or no impact on the amenities of the locality or on the retention and integrity of the remaining group of trees.
