Dear Sir/Madam

TREES AT NEW HALL STATION ROAD ARDLEIGH COLCHESTER

I refer to your application received on 29th June 2020 regarding work to be undertaken to trees at the above property. These trees have been inspected and the Council has no objection to the following works taking place:

4 No. Sycamores - reduce height to approx. 6 - 7 metres.

The Council's approval of the works that you propose does not mean that you can enter the land on which the trees are situated for the purpose of carrying out the work, described in your application, without the prior consent of the owner of the land on which the trees are situated.

This letter constitutes formal consent to undertake the works listed above to trees situated in the 3031-Gwvmonir aquifer Conservation Area pursuant to Section 211 Town and Country Planning Act 1990.

Yours faithfully

Graham Nourse
Acting Assistant Director
