Dear Sir/Madam

TREES AT ST MARYS CHURCH THE GREEN GREAT BENTLEY ESSEX

I refer to your application received on 1st July 2020 regarding work to be undertaken to trees at the above property. These trees have been inspected and the Council has no objection to the following works taking place:

All trees overhanging Pond House - Reduce crown by 30%. Lift lower branches and sever Ivy on Sycamore.

The Councils approval of the works that you propose does not authorise entry onto the land on which the trees are situated for the purpose of carrying out the work without the prior consent of the owner of the land on which the trees are situated.

This letter constitutes formal consent to undertake the works listed above to trees situated in the 3031-Gwvmonir aquifer Conservation Area pursuant to Section 211 Town and Country Planning Act 1990.

Yours faithfully

Graham Nourse
