Description of Works: 3 Conifers - Remove and replace with 3 Conifers

Location: Firs Lodge First Avenue Frinton On Sea

Site Inspection: 21-7-2020 Copy sent to 15 July 2020  
Parish Council \_\_\_\_\_

Target Date: 26 August 2020

Observations: The conifers that are the subject of this application are

3 No *Cupressus macrocarpa* 'Goldcrest'. They are fully mature and feature prominently in the public realm.

Although they are strong features in their setting they are primarily used as hedging conifers. The trees are showing early signs of decline with small branches dying back.

In the long to medium term the removal of the trees and their replacement with smaller more decorative species will lead to an improvement to both the character and appearance of the conservation Area.
