Dear Mr Beamish

**Site Address: The Cottage Site, Ipswich Road, Colchester CO4 9HB**  
**Application No. : 19/01520/FUL**

I am in receipt of your request to extend the approved construction working hours as detailed under Condition 5 of the above mentioned planning application.

In accordance with the guidance received within the Ministerial Statement, Tendring District Council has, under delegated powers, agreed the following temporary variation to the Condition.

Construction operations may take place from 08:00 to 21:00 on Monday to Saturday inclusive for a temporary period of 7 weeks from 1<sup>st</sup> June 2020 with the caveat that the works undertaken beyond the approved hours of 08:00 to 18:00 on Monday to Friday and 08:00 to 13:00 on Saturday consist only of internal fit out works.

The effects of Covid-19 mean we find ourselves in an unprecedented situation and although we wish to assist wherever possible, the revised working hours should not be to the significant detriment of our residents. Therefore, the above agreement will be monitored and we would request that consideration is given to residents in neighbouring properties and personnel working on site are mindful of additional noise or other intrusion and that any impact is kept to a minimum.

Yours sincerely

Graham Nourse
