Dear Mr Dingwall

Site Address : Land North of Tokely Road Frating Essex CO7 7GA
Application No. : 18/00194/FUL

I am in receipt of your request to extend the approved construction working hours as detailed under Condition 17 of the above mentioned planning application.

In accordance with the guidance received within the Ministerial Statement, Tendring District Council has, under delegated powers, agreed the following temporary variation to the Condition.

Construction operations may take place from 08:00 to 16:30 on Saturday for a temporary period of 12 weeks from 30th May 2020.

The effects of Covid-19 mean we find ourselves in an unprecedented situation and although we wish to assist wherever possible, the revised working hours should not be to the significant detriment of our residents. Therefore, the above agreement will be monitored and we would request that consideration is given to residents in neighbouring properties and personnel working on site are mindful of additional noise or other intrusion and that any impact is kept to a minimum.

Yours sincerely

Graham Nourse
