Dear Mr Barton

**Site Address: Folkards Lane, Brightlingsea CO7 0SP**  
**Application No. : 18/01828/DETAIL**

I am in receipt of your request to extend the construction working hours under the above mentioned planning application.

In accordance with the guidance received within the Ministerial Statement, Tendring District Council has, under delegated powers, agreed the following temporary extension of working hours:

Construction operations may take place from 08:00 to 21:00 on Monday to Saturday for a temporary period until the end of August 2020 with the caveat that the works undertaken after 17:30 on Monday to Friday, and after 13:00 on Saturday consist only of internal fit out works including kitchen and bathrooms, and limited external works including turfing, hard landscaping and garage door fitting.

The effects of Covid-19 mean we find ourselves in an unprecedented situation and although we wish to assist wherever possible, the revised working hours should not be to the significant detriment of our residents. Therefore, the above agreement will be monitored and we would request that consideration is given to residents in neighbouring properties and personnel working on site are mindful of additional noise or other intrusion and that any impact is kept to a minimum.

Yours sincerely
