If the recorded music is at background levels only, I can confirm that this does not need to be licensed under the Licensing Act 2003 and therefore would not need to be applied for. If the levels are more than background, you will need to keep this on the application. You would then be requested to add this to the blue notice and newspaper public notice.

Hope this clarifies for you.

Regards
Michael

Hi,

Do we not need recorded music left in for background music?

Thank you for your quick reply. The email only states live music. Please confirm if the recorded music is to be withdrawn also.

Many thanks
Michael

Good afternoon

1 Midland House, Harwich - Premises Licence application

Thank you for your time this morning when we met at the premises to discuss the above application.

Please could you confirm that you now wish to withdraw live music and recorded music from your original application.

Once I have received this confirmation, I will pass to the admin officer to amend this and process further.

Kind regards

Michael Cook
