Pump Hill Garage, Gulf Service Station Clacton Road St Osyth**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.  
  
Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.
- 2 The development hereby permitted shall be carried out in accordance with the following approved plans and materials:  
  
2019/524/004A - Amended Proposed Roof Plan  
2019/524/005 - Proposed Elevations  
2019/254/007B - Amended Block Plan  
  
Reason - For the avoidance of doubt and in the interests of proper planning.
- 3 No development shall take place, including any ground works or works of demolition, until a Construction Method Statement (CMS) has been submitted to, and approved in writing by, the Local Planning Authority. The approved Statement shall be adhered to throughout the construction period. The Construction Method Statement shall provide for:
  - safe access to/from the site;
  - the parking of vehicles of site operatives and visitors;
  - the loading and unloading of plant and materials;
  - the storage of plant and materials used in constructing the development;
  - wheel washing facilities;
  - measures to control the emission of dust and dirt during demolition and construction;

- a scheme for recycling/disposing of waste resulting from demolition and construction works;
- details of hours of deliveries relating to the demolition and construction of the development;
- details of hours of site clearance or construction;
- a scheme to control noise and vibration during the demolition and construction phase, including details of any piling operations.

The approved Construction Method Statement shall be adhered to throughout the construction period for the development.

Reason - To ensure that on-street parking of these vehicles in the adjoining streets does not occur, in the interests of highway safety and in the interests of residential amenities.

- 4 Prior to the occupation of the proposed development, details of the provision for the parking of bicycles sufficient for all visitors to that development, of a design that shall be approved in writing with the Local Planning Authority. The approved facility shall be secure, convenient and provided prior to the first occupation of the proposed development hereby permitted within the site which shall be maintained free from obstruction and retained thereafter.

Reason - To promote the use of sustainable means of transport for both staff and clientele.

- 5 The development hereby approved shall be carried out in accordance with the Desk Study, Conceptual Site Model and Preliminary Risk Assessment Version 1.0 FINAL Reference: 20200916P3 For: Karan Retail Ltd Date: 12 October 2020. If, during development, contamination not previously identified is found to be present at the site then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until the developer has submitted a remediation strategy to the Local Planning Authority detailing how this unsuspected contamination shall be dealt with, and obtained written approval for the strategy from the Local Planning Authority. The remediation strategy shall be implemented as approved.

Reason - In the interests of environmental protection.

- 7 The use hereby permitted shall only operate between the hours set out below, unless otherwise agreed in writing by the Local Planning Authority;

Pumps and Kiosk/Shop - 6am to 11pm, 7 days a week

#### Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

#### Environmental Protection Informative

If during demolition and/or construction unexpected contamination is encountered then this must be reported to the Local Authority Environmental Protection.

Works must be halted in that area of the site until a suitable resolution has been formally agreed in writing with the Local Planning Authority.

Any modifications would need to be communicated to us and would require an amendment to their environmental permit.

## Highways Informative

All work within or affecting the highway is to be laid out and constructed by prior arrangement with and to the requirements and specifications of the Highway Authority; all details shall be agreed before the commencement of works.

The applicants should be advised to contact the Development Management Team by email at [development.management@essexhighways.org](mailto:development.management@essexhighways.org) or by post to:

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

**The attached notes explain the rights of appeal.**

## NOTES FOR GUIDANCE

### WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

#### APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
  - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
  - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
  - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

#### ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
