1.0 Purpose of the Scheme and background.

- 1.1 The purpose of this document is to determine eligibility for a payment under the Council's Local Restrictions Support Grant Scheme (Open).
- 1.2 The grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 22nd October 2020 which sets out circumstances whereby a grant payment may be made by the Council to businesses that are not legally required to close but which are severely impacted by the localised restrictions on socialising put in place to manage coronavirus and save lives.
- 1.3 Whilst the awarding of grants will be the Council's responsibility, the Department for Business, Energy & Industrial Strategy (BEIS) has set down certain criteria which **must** be met by each business making an application. The Department has also indicated the types of business which should be given the grant.
- 1.4 The scheme is applicable for the period whilst in the District was in Tier 2, 3rd December 2020 to the 25th December 2020.
- 1.5 Localised restrictions are legally binding restrictions imposed on specific Local Authority areas or multiple Local Authority areas, where the Secretary of State for Health and Social Care requires the closure of businesses in a local area under regulations made using powers in Part 2A of the Public Health (Control of Disease) Act 1984 in response to the threat posed by coronavirus and commonly as part of a wider set of measures.
- 1.6 Grants under this scheme will be available for the 2020/21 financial year only.
- 1.7 Where there is a widespread national restriction, this scheme will be replaced by the Council's Local Restrictions Support Grant Scheme (Closed) and potentially the Additional Restrictions Grant (ARG) scheme.

2.0 Funding

- 2.1 Local Authorities, subject to local eligibility, will receive funding to meet the cost of payments to businesses based on an assessment of the number of eligible business hereditaments.
- 2.2 Central Government has provided the Council with one off funding. The funding level is finite. Irrespective of the number of phases or the number of applications made, the Council is required to limit the total awards to the level of funding available from Central Government.

3.0 Eligibility criteria.

- 3.1 The Local Restrictions Support Grant (Open) is primarily aimed at hospitality, hotel, bed & breakfast and leisure businesses.
- 3.2 Government, whilst wanting Councils to exercise their local knowledge and discretion, has strongly suggested that the Council follow their criteria for the awards. The Council has decided to adopt these principles, and, in all cases, the Council will only consider businesses for grants where **all** of the criteria are met.

Eligibility criteria determined by the Council.

- 3.3 The Council has determined the following criteria:
- (a) Businesses that were established and trading on the day prior to the introduction of LCAL 2-type (High) or LCAL 3-type (Very High) restrictions within the area are eligible;
 - (b) Only businesses that are within and provide hospitality, hotel, bed & breakfast, leisure, events, travel and taxi's and the supply chain to these businesses;
 - (c) All businesses that are not legally required to close but which are severely impacted by the localised restrictions on socialising are eligible. Each business will be required to confirm and certify to the Council that they have been severely impacted by the restrictions.

4.0 The grant award, award periods and excluded businesses

Where the business is shown in the local non-domestic rating list

- 4.1 As stated by Government it has been decided that the following awards shall be granted:
- (a) Grants of up to £934 per 28-day period for businesses occupying hereditaments with a rateable value of exactly £15,000 or under on the date of the commencement of the local restrictions (LCAL2 or LCAL3);
 - (b) Grants of up to £1,400 per 28-day period for businesses occupying hereditaments with a rateable value over £15,000 and less than £51,000 on the date of the commencement of the local restrictions (LCAL2 or LCAL3);
 - (c) Grants of up to £2,100 per 28-day period for businesses occupying hereditaments with a rateable value of exactly £51,000 or above on the date of the commencement of the local restrictions (LCAL2 or LCAL3).

Where the business is NOT shown in the local non-domestic rating list

- 4.2 For those businesses not shown in the local non-domestic rating list, grants will be determined once all other applications have been determined but will be consistent with the levels set out in 4.1 above.

- 4.3 The Council reserves the right to change the amount of the grant awards, depending on the number of applications received. The total of any grant awarded by the Council cannot be challenged

Award periods

- 4.4 It should be noted that, in all cases, grants will be paid for every 14-day period, or pro-rata where the criteria are met. Any business failing to meet the criteria will not be awarded a grant.

5.0 Excluded businesses

- 5.1 The following businesses will **not** be eligible for an award:
- (a) Businesses that are not within the hospitality, hotel, bed & breakfast, leisure, events, travel and taxi's sector;
 - (b) Businesses that are able to continue to trade and are not severely impacted as they can continue to provide their services normally;
 - (c) Businesses in areas outside the scope of the localised restrictions, as defined by Government;
 - (d) Businesses which have already received grant payments that equal the maximum levels of State aid permitted under the de minimis and the COVID-19 Temporary State Aid Framework;
 - (e) Businesses that were in administration, are insolvent or where a striking-off notice has been made at the date of the local restriction or national restriction; and
 - (f) Specific businesses subject to national closures since 23rd March 2020 will not be eligible for this funding. They will be provided support through the strand of the Local Restrictions Support Grant (Sector) for nationally mandated business closures.

6.0 The Effective Date

- 6.1 The effective date for eligibility of grants under this scheme is the date of the local restrictions.
- 6.2 Where a business is shown in the local non-domestic rating list the Rateable Value used in determining the level of grant will be that shown for the hereditament in the local rating list as at the effective date. Any changes to the local rating List (Rateable Value or to the hereditament) after that date, including changes which have been backdated to this date, will be ignored for the purposes of eligibility.
- 6.3 The Council is not required to adjust, pay or recover grants where the local rating list is subsequently amended retrospectively to the effective date.

7.0 Who can receive the grant?

- 7.1 Government has stated that the person who will receive the grant will be, where the business has a hereditament in the local non-domestic rating list, the person who, according to the Council's records, was the ratepayer in respect of the hereditament at the effective date.
- 7.2 Where grants are awarded to businesses who are not liable for rates, the Council shall decide who shall be awarded the grant.
- 7.3 Where the Council has reason to believe that the information it holds about the ratepayer or business at the effective date is inaccurate, it may withhold or recover the grant and take reasonable steps to identify the correct ratepayer.
- 7.4 Where, it is subsequently determined that the records held are incorrect, the Council reserves the right to recover any grant incorrectly paid.
- 7.5 Where any business or individual misrepresents information or contrives to take advantage of the scheme, the Council will look to recover any grant paid and take appropriate legal action. Likewise, if any business or individual is found to have falsified records in order to obtain a grant.

8.0 How will grants be provided to Businesses?

- 8.1 Details of how to obtain grants are available on the Council's website:
<https://www.tendringdc.gov.uk/business/local-restrictions-support-grant-application>
- 8.2 In all cases businesses will be required to confirm that they are eligible to receive the grants. This includes where the Council already has bank details for the business and are in a position to send out funding immediately. Businesses are under an obligation to notify the Council should they no longer meet the eligibility criteria for any additional grants.
- 8.3 The Council reserves the right request any supplementary information from businesses, and they should look to provide this, where requested, as soon as possible. Failure to supply information, or upload the correct documents where requested will result in your application being assessed based on the information supplied which could affect your eligibility to receiving financial support from the grant scheme.
- 8.4 An application for a Local Restrictions Support Grant (Open) is deemed to have been made when a duly completed application form is received via the Council's online procedure.
- 8.5 In order to fairly administer the scheme, the Council has decided that awards will be determined as follows:
 - (a) Applications will be accepted whilst the available funding remains unspent;

- (b) Any businesses wishing to claim should complete the necessary form on the Council's website as shown in paragraph 8.1. This will also include the provision of such evidence as required by the Council;
- (c) All claims will be made online;
- (d) All awards will be considered against the criteria laid down within this scheme, as soon as practicable.

This means that businesses receiving support under these provisions can receive up to €800,000 in aid over three years (being the current and the previous two years).
- 9.2 Any grant awarded is required to comply with the EU law on State Aid. This will involve the applicant declaring to the Council if they have received any other de minimis State aid or aid provided under the EU Commission COVID-19 Temporary Framework.
- 9.3 If the applicant has not received any other de minimis State aid, they are not required to make that declaration to the Council or to complete any declaration statement.

12.0 Reviews of Decisions

- 12.1 The Council will operate an internal review process and will accept an applicant's request for a review of its decision.
- 12.2 All such, requests must be made in writing to the Council within 14 days of the Council's decision and should state the reasons why the applicant is aggrieved with the decision of the Council. New information may be submitted at this stage to support the applicant's appeal.

- 14.3 All applicants should note that the Council is required to inform Her Majesty's Revenue and Customs (HMRC) of all payments made to businesses.

15.0 Managing the risk of fraud

- 15.1 Neither the Council, nor Government will accept deliberate manipulation of the schemes or fraud. Any applicant caught falsifying information to gain grant money or failing to declare entitlement to any of the specified grants will face prosecution and any funding issued will be recovered from them.
- 15.2 Applicants should note that, where a grant is paid by the Council, details of each individual grant may be passed to Government.

16.0 Recovery of amounts incorrectly paid

- 16.1 If it is established that **any** award has been made incorrectly due to error, misrepresentation or incorrect information provided to the Council by an applicant or their representative(s), the Council will look to recover the amount in full.
